Kansas Corporation Commission  
1500 SW Arrowhead Road  
Topeka, KS 66615

**RE: Docket 25-EKCE-132-CCS**

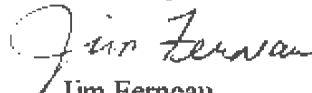

To Whom it May Concern:

Evergy Kansas Central Inc. d/b/a Evergy Kansas Central ("Evergy Kansas Central") is withdrawing its application to cease to serve in the docket referenced above.

After discussions with Kansas Corporation Commission staff and the other party in this matter, it was determined that the Evergy Kansas Central equipment that would need to be removed to effectuate the change of supplier was installed prior to the start of the Retail Electric Supplier Act and as such, a formal application for the Commission to consider is not required.

If further information is required, please feel free to contact me.

Sincerely,
