COMPLIANCE AGREEMENT

This Agreement is between Eldon R. Koehn ("Operator") (License #3822) and Commission Staff ("Staff"). If the Commission does not approve this Agreement by a signed order, this Agreement shall not be binding on either party.

A. Background

1. Operator is responsible for German #1, API #15-113-00804, and Meeks #3, API #15-113-02661 wells (collectively "the subject wells"). The subject wells are out of compliance with K.A.R. 82-3-111. Operator has asked for an agreement to avoid penalties while Operator works to plug the subject wells, return them to service, or obtain temporary abandonment status for them. Staff is supportive of an agreement.

B. Terms of Compliance Agreement

2. By May 4, 2017, Operator shall plug, return to service, or obtain temporary abandonment status for one of the subject wells. If Operator fails to comply with this deadline, then Operator shall be assessed a \$1,000 penalty. By June 19, 2017, Operator shall plug, return to service, or obtain temporary abandonment status for the remaining subject well. If Operator has not plugged, returned to service, or obtained temporary abandonment status for the subject wells by September 19, 2017, then Operator shall be assessed an additional \$2,500 penalty, and Staff may plug the wells and assess the costs to Operator.

3. If Operator fails to comply with any deadline in any of the above paragraphs, or if penalties or costs are owed, then Staff shall suspend Operator's license until compliance is obtained and the penalties or costs are paid. If Staff suspends Operator's license, then Staff shall send its standard notice of license suspension letter to Operator. If Staff finds Operator conducting oil and gas operations after 10 days from the date of a notice of license suspension

letter, and Operator's license is still suspended, then Staff is authorized to seal all of Operator's oil and gas operations and to assess an additional \$10,000 penalty.

4. Operator agrees to waive its right to appeal any future orders of the Commission regarding this matter, any penalties or costs assessed under this Agreement, and any suspension of Operator's license implemented by Staff due to Operator's failure to comply with this Agreement. The terms of this Agreement shall remain binding upon Operator even if its interests in the subject wells are conveyed.

5. Except as described herein, Staff will not pursue Operator for any violation of K.A.R. 82-3-111 at the subject wells that occurred or occurs prior to September 19, 2017.

C. Conclusion

Both parties believe this Agreement fairly resolves the matters at issue.
