To Whom It May Concern,

Dear Sir(s) or Ma'am. I am writing this to make a request for a hearing after receiving a Penalty Order, Docket number 20-CONS-3308-CPEN. I apologize for being late on submitting the U3C's. I know that we were late on getting our license renewed and I submitted a letter regarding that and I believe that is resolved now. I had spoken with and explained to Kelsey Marsh before, on December 27<sup>th</sup> I had surgery for a tore tendon in my arm and my recovery didn't go as well as I had planned. I would like to submit this request for relief on the penalty. I am still not able to return to my regular job. I have just been a little overwhelmed with everything and things and time got away from me. Please accept this request on my husband and I behalf.

Sincerely,

Annie Myers
