In the Matter of the Application of Kansas City Power & Light Company to Make Certain Changes in Its Charges for Electric Service.

Docket No. 17-KCPE-201-RTS

JOINT MOTION FOR MODIFICATION OF PROCEDURAL SCHEDULE

COMES NOW Kansas City Power & Light Company ("KCP&L" or "Company"), the Staff of the Kansas Corporation Commission ("Commission") and the Citizens' Utility Ratepayer Board ("CURB") and submits the following Joint Motion for Modification of the Commission's Procedural Schedule dated December 22, 2016.

1. On November 9, 2016, KCP&L filed an Application with the Commission pursuant to K.S.A. 66-117 and K.A.R. 82-1-231(b)(3) requesting authorization to make an abbreviated rate case.

2. On November 22, 2016 the Commission issued in this docket Suspension, Protective and Discovery Orders and an Order Designating Prehearing Officer and granted intervention to CURB. On December 22, 2016, the Commission set a procedural schedule which set forth an April 24, 2017 deadline for settlement and an April 26, 2017 deadline for testimony supporting or opposing settlement. The parties have met several times and have been diligently working toward settlement but need additional time to finalize the settlement agreement documents. Therefore, the parties request that the deadline for settlement be moved to April 25, 2017.

3. Counsel for Staff and CURB have authorized KCP&L to make this filing on their behalf.

1

WHEREFORE, the parties pray that the Commission modify the procedural schedule as outlined above and for such further order or orders as the Commission may deem appropriate.

Respectfully submitted,
