MOTION TO SUSPEND INTRASTATE MOTOR CARRIER OPERATIONS

The Staff of the State Corporation Commission of the State of Kansas (Staff), by and through its counsel, files its motion requesting the Commission suspend Dreiling Pipeline, LLC of Garden City, Kansas (Respondent) from all intrastate commercial motor carrier operations. In support of its Motion, Staff states as follows:

1. Respondent is a motor carrier as defined in K.S.A. 2016 Supp. 66-1,108, that operates commercial motor vehicle(s) in intrastate commerce.
2. Respondent is registered as a motor carrier with the U.S. Department of Transportation (USDOT) and operates under USDOT number 2557663.
3. On February 21, 2013, the Commission issued Respondent a Penalty Order that assessed a civil penalty to the Respondent of \$750 for violations of the Kansas Motor Carrier Safety Statutes, Rules and Regulations discovered during a compliance review conducted by Special Investigator Penny Fryback on January 25-26, 2017.
4. The Respondent was served with the Penalty Order via certified mail, return receipt requested, on February 27, 2017. A Proof of Service was filed in this docket on March 6, 2017. The Respondent had 30 days from the date served to pay the civil penalty of \$750.

5. Respondent was sent a collection letter on March 29, 2017, reminding it of the amount due and giving it 10 days from the date of the collection letter to pay.

6. As of April 10, 2017, Commission records indicate that Respondent has not complied with the collection letter or the requirements of the Penalty Order.

7. Staff asks that the Commission find Respondent failed to comply with the Commission's Penalty Order dated February 21, 2013.

8. Staff asks the Commission find that Respondent's failure to comply with the requirements of the Penalty Order poses a potential immediate threat to the safety and welfare of the public of the state of Kansas.

9. Based on the presented facts, Staff requests the Commission issue an order suspending Respondent's intrastate motor carrier operations until such time as Respondent pays the penalty of \$750, at which time Staff will recommend the Commission enter an order of reinstatement of intrastate motor carrier operations.

10. Furthermore, Staff requests the Commission order Respondent to attend a Commission-sponsored safety seminar within ninety (90) days from the date of this Order, and for it to provide Transportation Staff with written proof of attendance.

WHEREFORE, for the reasons stated above, Staff respectfully requests that the Commission issue an order suspending Respondent's intrastate motor carrier operations, and order Respondent to attend a Commission-sponsored safety seminar within ninety (90) days from the date of this Order, and for it to provide Transportation Staff with written proof of attendance.

Respectfully submitted,
