**PENALTY ORDER**

The above-captioned matter comes before the State Corporation Commission of the State of Kansas (Commission). Having examined its files and records, and being duly advised in the premises, the Commission finds and concludes as follows:

**I.      JURISDICTION**

1.      Pursuant to K.S.A. 2018 Supp. 66-1,108b, 66-1,111, 66-1,112, 66-1,114, 66-1,114b and 66-1,115, the Commission is given full power, authority and jurisdiction to supervise and control motor carriers, as defined in K.S.A. 2018 Supp. 66-1,108, doing business or procuring business in Kansas, and is empowered to do all things necessary and convenient for the exercise of such power, authority and jurisdiction.

2.      Pursuant to K.S.A. 2018 Supp. 66-1,129a, 66-1,130 and 66-1,142b, the Commission may suspend operations, revoke or amend certificates, and initiate sanctions or fines against every motor carrier and every person who violates any provision of Kansas law in regard

to the regulation of such motor carriers and persons, or who fails to obey any order, decision or regulation of the Commission.

3. The Commission has the authority, pursuant to K.A.R. 82-1-237, to investigate an entity under the Commission's jurisdiction and issue an order on the Commission's own motion when the Commission believes the entity is in violation of the law or any order of the Commission.

## **II. BACKGROUND**

4. Jonathan Kelly, d/b/a It's Your Move (It's Your Move) operates USDOT number 3084348.

5. Jonathan Kelly attended a Commission-sponsored Motor Carrier Education and Safety Instructional Meeting on October 18, 2016, on behalf of It's Your Move.

6. It's Your Move is a common motor carrier which primarily hauls household goods.

## **III. STATEMENT OF FACTS**

7. Pursuant to the jurisdiction and authority cited above, on December 11, 2018, Commission Staff (Staff) Special Investigator Michael Heenan conducted a safety compliance review of the operations of It's Your Move. A copy of the safety compliance review is included in this Penalty Order as Attachment "A" and is hereby incorporated by reference. As a result of this investigation, the special investigator identified one (1) violation(s) of the Motor Carrier Safety Regulations.

- a. On September 24, 2018, It's Your Move required or permitted its driver, Jonathan Kelly, to operate a CDL-required commercial motor vehicle, a 2011 International, VIN ending in 406968, GVWR 25,999 lbs., in

intrastate commerce from Parsons, Kansas to Independence, Kansas. This trip is evidenced by Driver's Time Record, a copy of which is attached hereto as Attachment "B" and is hereby incorporated by reference. At the time of this transportation, It's Your Move did not have Kansas Corporation Commission (KCC) For-Hire Authority to operate from point-to-point in the state of Kansas. The special investigator contacted this carrier by sending notices several times in 2018 regarding obtaining KCC For-Hire Authority. It's Your Move did make application for KCC authority on April 8, 2018, but did not complete the application requirements. The carrier's commercial operations of motor vehicles prior to obtaining and maintaining proper Commission authority is a violation of K.S.A. 2018 Supp. 66-1,111 and 49 C.F.R. 392.2, adopted by K.A.R. 82-4-3h, and authorized by K.S.A. 2018 Supp. 66-1,129. Staff recommends an enhanced fine of \$1,000.

#### **IV. STAFF'S RECOMMENDATIONS**

8. Based upon the available facts, Staff recommends the Commission finds It's Your Move committed one (1) violation(s) of Kansas law that governs motor carriers, including various provisions of the Federal Motor Carrier Safety Regulations (FMCSRs), as adopted by the Kansas Administrative Regulations, and is therefore subject to sanctions or fines imposed by the Commission.

9. Additionally, Staff recommends a civil penalty of \$1,000 for one (1) violation(s) of the Motor Carrier Safety Statutes, Rules and Regulations.

10. Staff further recommends that a representative from It's Your Move be required to attend a Commission-sponsored safety seminar within ninety (90) days from the date of this Order, and provide Litigation Counsel with written proof of attendance. A schedule of the dates and locations for safety seminars can be found on the Commission's website at [http://kcc.ks.gov/trans/safety\\_meetings.htm](http://kcc.ks.gov/trans/safety_meetings.htm).

11. Finally, Staff recommends that It's Your Move submit to one follow-up safety compliance review within eighteen (18) months from the date of this Order. Transportation Staff will contact the motor carrier at a later date to determine an appropriate time for this review.

## **V. CONCLUSIONS OF LAW**

12. The Commission finds it has jurisdiction over It's Your Move because it is a motor carrier as defined in K.S.A. 2018 Supp. 66-1,108.

13. The Commission finds It's Your Move committed one (1) violation(s) of Kansas law that governs motor carriers, including various provisions of the Federal Motor Carrier Safety Regulations (FMCSRs), as adopted by the Kansas Administrative Regulations, and is therefore subject to sanctions or fines imposed by the Commission.

### **THE COMMISSION THEREFORE ORDERS THAT:**

A. Jonathan Kelly, d/b/a It's Your Move, of Parsons, KS is hereby assessed a \$1,000 civil penalty for one (1) violation(s) of Kansas law governing the regulation of motor carriers, the Kansas Administrative Regulations and provisions of the Federal Motor Carrier Safety Regulations, as adopted by the Kansas Administrative Regulations.

B. It's Your Move is hereby ordered to attend a Commission-sponsored safety seminar within ninety (90) days from the date of this Order, and is to provide Litigation Counsel with written proof of attendance.

C. It's Your Move is ordered to submit to one follow-up safety compliance review within eighteen (18) months from the date of this Order. Transportation Staff will contact the carrier to set up the appointment.

D. Pursuant to K.S.A. 2018 Supp. 77-537 and K.S.A. 77-542, any party may request a hearing on the above issue(s) by submitting a written request setting forth the specific grounds upon which relief is sought. The request may be electronically filed with the Commission's electronic filing system at <https://puc.kcc.ks.gov/e-filing/e-express/>, within fifteen (15) days from the date of service of this Order, and a copy of the request mailed to the Litigation Division. If you do not have access to the internet, you can mail an original and seven copies of the request to the Secretary to the Commission, at 1500 S.W. Arrowhead Road, Topeka, Kansas 66604, and mail a copy of the request to Litigation Counsel. A hearing will be scheduled only upon written request. Failure to timely request a hearing will result in a waiver of It's Your Move's right to a hearing, and this Penalty Order will become a Final Order assessing a \$1,000 civil penalty against It's Your Move, and ordering a representative from It's Your Move to attend a Commission-sponsored safety seminar within ninety (90) days from the date of this Order and provide Litigation Counsel with written proof of attendance, and to submit to a safety compliance review within 18 months from the date of this Order.

E. If a request for hearing is filed, attorneys for all parties shall enter their appearances in Commission proceedings by giving their names and addresses for the record. For civil penalties exceeding \$500, a corporation shall appear before the Commission by its attorney, unless waived by the Commission for good cause shown and a determination that such waiver is in the public interest. K.S.A. 77-515(c); K.A.R. 82-1-228(d)(2); K.A.R. 82-1-202(a). For civil

penalties less than \$500, a corporation may appear by a duly authorized representative of the corporation. K.S.A. 2018 Supp. 66-1,142b(e) and amendments thereto.

F. If you do not request a hearing, the payment of the civil penalty of \$1,000 is due in thirty (30) days from the date of service of this Order. Payment of \$1,000 must be made through your personal account with the Kansas Corporation Commission's KTRAN system located at <https://puc.kcc.ks.gov/ktran/>. You must have an account through KTRAN to pay the penalty.

G. Failure to pay the \$1,000 civil penalty within thirty (30) days from the date of service of this Penalty Order, *see* K.S.A. 66-1,105, and/or failure to comply with the provisions of this Order, may result in suspension of It's Your Move's motor carrier operating authority without further notice. Additionally, the Commission may impose further sanctions to include, but not limited to, the issuance and enforcement of revocation of authority and/or cease and desist orders, and any other remedies available to the Commission by law, without further notice.

H. The Commission retains jurisdiction over the subject matter and the parties for the purpose of entering such further orders, as necessary.

**BY THE COMMISSION IT IS SO ORDERED.**

## Safety Management Process Breakdowns and Remedies

### 1. For all Investigations:

- **Understand Why Compliance Saves Time and Money:** Compliance with FMCSRs will not only save lives, but also saves your business time and money. Tracking how much your business spends on non-compliance activities can help you understand the many benefits of compliance to your business and why safety is good business.

- **Document and Follow Through on Action Plans:** Document and follow through on action plans to ensure the actions you are taking are creating improvement in safety management and compliance.

- **NOTICE:** A pattern and/or repeated violations of the same or related acute or critical regulations (violations of the same Part in Title 49, Code of Federal Regulations) will cause the maximum penalties allowed by law to be assessed under Section 222 of the Motor Carrier Safety Improvement Act of 1999 (MCSIA). A pattern of violations means two or more violations of acute and/or critical regulations in three or more Parts of Title 49, Code of Federal Regulations discovered during any eligible investigation. Repeated violations means violation(s) of an acute regulation of the same Part of Title 49, Code of Federal Regulations discovered in an investigation after one or more closed enforcement actions within a six year period and/or violation(s) of a critical regulation in the same Part of Title 49, Code of Federal Regulations discovered in an investigation after two or more closed enforcement actions within a six year period.

- **NOTICE:** 49 CFR Part 391.23 requires prospective employers to, at a minimum, investigate a driver's employment information, crash record, and alcohol and controlled substances history from all employers the driver worked for within the previous 3 years.

The Pre-Employment Screening Program (PSP) is a screening tool that assists motor carriers in investigating crash history and roadside safety performance of prospective drivers. The PSP allows motor carriers to purchase 5 years of crash data and 3 years of roadside inspection data from the Federal Motor Carrier Safety Administration's (FMCSA) Motor Carrier Management Information System (MCMIS). Records are available 24 hours a day via Web request. Motor carriers should visit the following website for more information:

<http://www.psp.fmcsa.dot.gov/Pages/default.aspx>

- All motor carriers and truck drivers are needed to fight against terrorism and hijacking. You could be a target. Protect yourself, your trucks, your cargo, and your facilities. Discuss with your employees/drivers the "Security Measures for Truck Drivers and Companies" which were provided and reviewed with motor carrier official. Motor carriers should visit the following website for more information:

<http://www.fmcsa.dot.gov/documents/Hijacking-Brochure.pdf>

FMCSA recently announced planned improvements to the Carrier Safety Measurement System (SMS) which was implemented in December 2010 as part of the Agency's broader Compliance, Safety, Accountability (CSA) initiative. A preview of these improvements is currently available to motor carriers. The system changes are scheduled to be available to the public in July 2012. There will be additional opportunity for public comment on the changes after the preview period ends in July 2012. The improvements to SMS are based on ongoing analysis and feedback from enforcement personnel, the motor carrier industry, and other stakeholders. The changes more effectively identify and prioritize high-risk and other unsafe motor carriers for enforcement interventions designed to reduce commercial motor vehicle crashes and hazardous materials incidents. Motor carriers currently have the ability to preview how the improvements impact their individual safety data in SMS. These improvements include: (1) Changes to the SMS methodology that identify higher risk carriers while addressing industry biases; (2) better applications of SMS results for Agency interventions by more accurately identifying safety sensitive carriers (i.e., carriers transporting people and carriers hauling hazardous materials (HM)), so that such firms can be selected for CSA interventions at more stringent levels; and, (3) more specific fact-based displays of SMS results on the SMS Web site. The data preview may be found at <http://csa.fmcsa.dot.gov/>. During the data preview period, the Agency requests comments on the impacts of the changes.

For all Investigations that could result in a Notice of Claim:

- **PLEASE NOTE:** The violations discovered during this compliance review may affect the civil penalty proposed in any subsequent Notice of Claim. In addition, your history of prior violations of the Federal Motor Carrier Safety Regulations, Federal Hazardous Material Regulations or the Federal Motor Carrier Commercial Regulations may also affect the civil penalty proposed in any subsequent Notice of Claim. Your signature for receipt of this report acknowledges your understanding that the violations discovered by the FMCSA during this review may be used to calculate any civil penalty proposed as a result of this review.

Attached to this report is Table 1, which identifies all the documented violations which were discovered during the course of this review.

For all Investigations resulting in serious violations:

Serious violations were recorded on this investigation report. These violations will impact your safety record.

Federal Motor Carrier Safety Administration  
Kansas Division  
Jeff Ellett - Division Administrator

For all investigations where the carrier has been involved in 2 or more recordable crashes:

The Division Administrator/State Director will continue to consider preventability when a motor carrier contests a proposed safety fitness rating. The motor carrier may deem that the recordable accident rate is not a fair means of evaluating its accident factor (Factor 6) on the CR report. If so, the motor carrier must submit the compelling evidence within seven calendar days if the proposed rating is Unsatisfactory and 10 calendar days if the proposed rating is Conditional to:
