RE: Docket No. 15-TAST-131-COC(CLEC); Talk America Services, LLC

Dear Ms. Amy Gilbert:

Talk America Service, LLC ("Talk America" or "Company" was granted a Certificate of Convenience and Authority to provide local exchange service within the state of Kansas on March 10, 2015, in the docket referenced above. Talk America's application in that docket indicated that it intended to operate as a reseller of local exchange services. While the authority granted by the Commission does not restrict the Company's provision of local service to resale, through this letter, Talk America notifies the Commission of its intention to offer local exchange services as a facilities-based provider in the future. Pursuant to discussions with Commission Staff, it is our understanding that no additional approval is required from the Commission.

Please acknowledge receipt of this filing by date-stamping the extra copy of this letter and returning it to me in the self-addressed, stamped envelope provided for that purpose.

Any questions you may have regarding this filing should be directed to my attention at 407-740-3031 or via email to [stthomas@tminc.com](mailto:stthomas@tminc.com). Thank you for your assistance in this matter.

Sincerely,

Sharon Thomas
