To Whom it May Concern,

Dear Sir(s) or Ma'am. I am writing this to make a request for a hearing after receiving a Penalty Order, Docket number 20-CONS-3239-CPEN. I apologize so much for being late on renewing our license. On December 27th I had surgery for a tore tendon in my arm and my recovery didn't go as well as I had planned. I would like to submit this request for relief on the penalty. I am still not able to return to my regular job and still have another 5 wks of physical therapy left. I have just been a little overwhelmed with everything and things and time got away from me. Please accept this request on my husband and I behalf.

Sincerely,

Annie Myers
