

THE STATE CORPORATION COMMISSION
OF THE STATE OF KANSAS

Before Commissioners: John Wine, Chair
Susan M. Seltsam, Commissioner
Cynthia L. Claus, Commissioner

In the Matter of the Investigation by the)
Commission of the Adequacy of Future) Docket No. 99-GIME-321-GIE
Kansas Electric Generation Capacity.)

ORDER CORRECTING ASSESSMENT AND SERVICE LISTS

NOW, the above-captioned matter comes on for consideration and determination by the State Corporation Commission of the State of Kansas ("Commission") upon its own motion. Having examined its files and records, and being duly advised in the premises, the Commission finds as follows:

1. On November 4, 1998, the Commission issued its Order Directing Investigation in the above-captioned case. Three appendices were attached to the order. It has come to the Commission's attention that Appendix B, the assessment list, and Appendix C, the service list, contain errors.

2. By this order, the Commission corrects Appendix B and Appendix C, and reattaches them as revised for future use in this docket. It should be noted, however, that Appendix C may require further revision by the parties/participants in this docket from time to time as additional entities seek intervention. Parties/participants should update their service lists accordingly. The Commission does not intend to issue an order correcting the service list on those occasions.

IT IS, THEREFORE, BY THE COMMISSION CONSIDERED AND ORDERED THAT:

Appendix B and Appendix C to the Commission's November 4, 1998 Order Directing Investigation are hereby corrected for future use in this docket as set out in the attached revised appendices. In addition, parties/participants are hereby directed to note the addition of further participants and revise their general service lists accordingly.

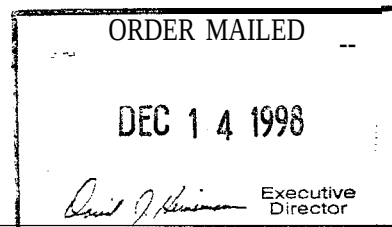

Any party may file a petition for reconsideration of this order within 15 days of the date this order is issued. If service is by mail, service is complete upon mailing and three days may be added to the above time.

The Commission retains jurisdiction over the subject matter and the parties for the purpose of entering such further order or orders as it may deem necessary and proper.

BY THE COMMISSION IT IS SO ORDERED.
