Dear Rene Stucky and KCC Commissioners:

Let this letter be a protest of R&D Oil, LLC's application for an injection well, API 15-059-27102-001, in Franklin county Kansas. The legal notice for this application appeared in the Ottawa Herald on January 16, 2018.

The basis of this protest is that the R&D Oil, LLC's well completion form states this well to be 4,371 ft. from the south section line and 4, 946 ft. from the east section line. The above referenced legal states this well to be 4, 292 ft. from the south section line and 4,622 ft. from the east section line. Therefore, this is an invalid legal notice by virtue of (*Genesis Health Club, Inc. v. City of Wichita*, 285 Kan. 1021, 1034, 181 P.3d 549 (2008)).

Cordially,

Scott Yeargain
