RE: Docket No. 21-TMIV-449-SHO

In the Matter of a General Investigation for Tru Mobility, Inc. to Show Cause Why this Commission Should Not Levy Sanctions, Penalties, and Fines for Non-Compliance with)
Kansas Statutes and Commission Orders

BACKGROUND

This Memorandum provides an update to Vantage Point Solution's(VPS) previous Memo dated August 31, 2022, regarding Tru Mobility, Inc.'s (Tru), KUSF Account No. KS006449.

On April 8, 2022, Staff filed a Report and Recommendation (R&R), recommending the Commission: (1) find Tru non-compliant with the Commission's Show Cause Order; (2) find that Tru owes \$4,274.37 of assessment contributions and \$13,495.66 of penalties to the KUSF, or a total balance of \$17,770.03; (3) deny Tru's requests to remit monthly payments and waive or reduce its KUSF penalties; (4) direct VPS to stop accruing additional penalties for Tru; and (5) give Tru 45 days to pay its delinquent KUSF balance before the Commission initiates collection actions against the Company.

On April 19, 2022, Tru made a payment of \$1,500 to the KUSF. On April 22, 2022, Tru submitted its March 2021 – February 2022 (FY 25) Annual True-up, to report actual revenue for the period, and owed \$345.37 in assessment. On April 22, 2022, Tru also submitted its March 2022 – February 2023 (FY 26) Annual Carrier Remittance Worksheet, to report estimated revenue for the period, and owed \$425.84 in assessment for the period along with a \$100 Late Filing Penalty. With the above-referenced filings and payments, Tru's balance as of April 30, 2022 consisted of \$3,545.58 of assessment contributions and \$13,595.66 of penalties, for a total balance of \$17,141.24.

On April 28, 2022, the Commission issued an *Order Assessing Penalties for Failure to Comply with K.S.A. 66-2008(a)*. The Commission determined 1) Tru failed to comply with Commission's Show Cause Order; (2) Tru's request to remit monthly payments and waive or reduce its KUSF penalties was denied; and 3) directed Tru to pay \$4,274.37 of KUSF assessment contributions and \$13,495.66 of penalties to the KUSF within 45 days of issuance of the Order. The Commission further found that if Tru did not pay the amounts owed to the KUSF, the Commission would initiate collections actions against Tru. The Commission also directed VPS to stop accruing additional penalties for Tru.

On May 28, 2022, Tru remitted a payment of \$871.21 to the KUSF for assessment owed for its March 2021 – February 2022 (FY 25) annual true-up and March 2022 – February 2023 (FY 26) annual assessment.

On August 26, 2022, Tru remitted a payment of \$1,000 to the KUSF, reducing its outstanding balance to \$15,270.03.

On March 31, 2023, Tru remitted a payment of \$1,270.03 to the KUSF, thus reducing its outstanding KUSF balance to \$14,000.00.
