**ORDER CONSOLIDATING DOCKETS, DESIGNATING PREHEARING OFFICER  
AND SETTING PREHEARING CONFERENCE**

This matter comes before the State Corporation Commission of the State of Kansas (Commission). Having examined its files and records, and being fully advised in the premises, the Commission finds and concludes as follows:

1. On August 7, 2017, Eagle Energy Resources, LLC (Operator) filed applications in the above dockets for exception to the 10-year time limitation of K.A.R. 82-3-111 for the captioned wells.<sup>1</sup>

2. On September 22, 2017, Operator filed Amended Applications in each of the four dockets.

3. On December 21, 2017, Commission Conservation Staff (Staff) filed a Motion for Consolidation of Dockets, the Designation of a Prehearing Officer, and the Scheduling of a Prehearing Conference noting that Staff does not recommend approval of the applications.

4. Pursuant to K.A.R. 82-1-224, the Commission may consolidate two or more dockets if the issues do not require separate and distinct proof. Staff has stated the applications are the same and suffer from similar deficiencies. Therefore, for good cause shown, the Commission finds and concludes that the two Dockets shall be consolidated for administrative efficiency and cost.
