**ORDER GRANTING PETITION TO INTERVENE
OF THE KANSAS POWER POOL AND DESIGNATING A PREHEARING OFFICER**

This matter comes before the State Corporation Commission of the State of Kansas (“Commission”) for consideration and decision. Having reviewed the pleadings and record, the Commission makes the following findings:

I. KPP Intervention

1. On April 27, 2020, Prairie Land Electric Cooperative, Inc. (Prairie Land) filed an Application with the Commission for approval to update its Local Access Delivery Service (LADS) tariff.¹

2. On May 5, 2020, the Kansas Power Pool (KPP) filed a Petition to Intervene.²

3. KPP stated it provides wholesale capacity, energy and transmission services to its members, who have all signed KPP’s Amended Operating Agreement.³ KPP further stated it currently serves 24 Kanas municipal electric utilities and is one of Prairie Land’s wholesale local access customers, and, thus, is required to pay the LADS rates under Western’s FBR Plan.⁴

¹ Application of Western Cooperative Electric Association, Inc. (April 27, 2020).

² KPP Petition to Intervene (May 5, 2020).

³ See *id.*, ¶ 2.

⁴ See *id.* ¶ 4.

4. The Commission shall grant intervention if the petition: (1) is submitted in writing and properly served; (2) state facts demonstrating the petitioner's legal rights, duties, privileges, immunities or other legal interests may be substantially affected by the proceeding or that the petitioner qualifies as an intervenor under any provision of law; and (3) the interests of justice and the orderly and prompt conduct of the proceedings will not be impaired by allowing the intervention.⁵ The Commission has discretion to grant intervention at any time where intervention is in the interests of justice and will not impair the orderly and prompt conduct of the proceedings.⁶ At any time during a proceeding, the Commission may impose limitations on an intervenor's participation, which may include limiting an intervenor's participation to designated issues in which the intervenor has a particular interest demonstrated by the petition, limiting intervenor discovery, cross-examination and other procedures, and requiring intervenors to consolidate their participation in the proceedings.⁷

II. Prehearing Officer Designation

5. Pursuant to K.S.A. 77-551(c), the Commission finds that a Prehearing Officer should be designated in this proceeding to address any matters listed in K.S.A. 77-517(b).

6. Any electronic serviced received after 5:00 p.m. on a deadline set forth in a procedural schedule shall be considered as filed on the next day and shall be accompanied by a Motion to File Out-of-Time.

FINDINGS AND CONCLUSIONS

7. KPP submitted its petition to intervene in writing and properly served it pursuant to K.S.A. 77-521(a)(1). Additionally, KPP has demonstrated that its legal interests may be

⁵ K.S.A. 77-521(a); K.A.R. 82-1-225(a).

⁶ K.S.A. 77-521(b); K.A.R. 82-1-225(b).

⁷ K.S.A. 77-521(c); K.A.R. 82-1-225(c).

substantially affected by the proceedings in this docket. Therefore, the Commission finds that KPP has substantially met the requirements of K.S.A. 77-521 and there exists no evidence that the interests of justice or the orderly and prompt conduct of the proceedings will be impaired by KPP's intervention in this matter.
