

THE STATE CORPORATION COMMISSION
OF THE STATE OF KANSAS

Before Commissioners: Mark Sievers, Chairman
 Ward Loyd
 Thomas E. Wright

In the Matter of a General Investigation to)
Determine the Assessment Rate for the) Docket No. 12-GIMT-168-GIT
Sixteenth Year of the Kansas Universal)
Service Fund, Effective March 1, 2012.)

ORDER OPENING DOCKET AND ESTABLISHING PROCEDURAL SCHEDULE

The above-captioned matter comes before the State Corporation Commission of the State of Kansas (Commission) for consideration and determination. Having examined its files and records and being fully advised in the premises, the Commission finds and concludes as follows:

1. K.S.A. 66-2008 required the Commission to establish the Kansas Universal Service Fund (KUSF) on or before January 1, 1997. The Commission did so in an order issued December 27, 1996 in Docket No. 94-GIMT-478-GIT. The KUSF began operations on March 1, 1997. The KUSF disburses funds to eligible telecommunications carriers (ETCs) to support costs of providing service in high cost areas. These funds, as well as funds for the Lifeline service program, K.S.A. 66-2002(f), for dual party relay service, K.S.A. 66-2002(g), for telecommunications equipment for persons with visual impairment and persons with other special needs, K.S.A. 66-2002(g), and for limited KAN-ED support, K.S.A. 66-2010(f), are administered by GVNW Consulting, Inc. (GVNW), the KUSF administrator. The assessment rate is determined each year by the Commission on the basis of data provided to Staff by KUSF contributors and recipients and by the administrator for calculation of the rate by Staff and further input from KUSF contributors. The Commission issues an order determining the assessment rate for the following year of KUSF operations that should be applied to the intrastate

retail revenues of all telecommunications carriers, telecommunications public utilities, wireless telecommunications service providers, and interconnected Voice over Internet Protocol (VoIP) that provide intrastate telecommunications services.

2. Additionally, pursuant to K.S.A. 2010 Supp. 66-2005(e), on March 1, 2007, and every two years thereafter, the Commission must determine a new affordable residential and single-line business rate for rate-of-return rural local exchange companies (RLECs).

3. The Commission received a report and recommendation from Staff in this docket on September 12, 2011 addressing the need to open the investigation to determine the assessment rate for the sixteenth year of the KUSF.

4 Staff requests the Commission require all companies that request KUSF support to file in this docket Attachment A to Staff's September 12, 2011 filed report - "Company Information" - no later than November 2, 2011. Only rural LECs with residential and/or single-line business rates below the approved affordable rates shall file in this docket its access line summary no later than November 2, 2011 by submitting Attachment B.

5. SWBT and competitive ETCs seeking KUSF support in SWBT's service area shall complete and file in this docket Attachment C. A competitive ETC provisioning service via Local Wholesale Complete shall complete and file in this docket Attachment C-1. CenturyLink and competitive ETCs seeking KUSF support in CenturyLink's service area shall complete and file in this docket Attachment D. Attachment E shall be remitted by each competitive ETC seeking KUSF support within any rural LEC study area and/or exchanges. Finally, Attachment E-1 shall be filed in this docket by any competitive ETC seeking KUSF support in an exchange previously owned by CenturyLink but purchased by a rural LEC. Documentation to support the information reported in the Attachments shall be filed in this docket.

6. The Commission finds that it is appropriate to open this investigation to determine the KUSF assessment rate for the sixteenth year of the KUSF. Because the assessment rate must be determined sufficiently in advance of the March 1, 2012 implementation date to permit companies to make any necessary changes to bills, the Commission finds it appropriate to open this docket at this time. The Commission directs all companies to file in this docket all necessary Attachments and supporting documentation described above no later than November 2, 2011, to enable Staff to complete all calculations and allow for response from interested parties. Failure to file all required data by the required date may jeopardize the statutorily mandated implementation date and could result in imposition of a fine on a tardy party. K.S.A. 2010 Supp. 66-138.

7. The Commission notes the Court of Appeals issued an Opinion in *Bluestem Telephone Company, et al., v. Kansas Corporation Commission*, 33 Kan. App. 2d 817 (2005) (*Bluestem*), in which it among other matters determined that K.S.A. 66-2008(e) precludes distribution of KUSF support to rate-of-return regulated companies based on line count. Although KUSF support is not distributed to rate-of-return regulated companies on the basis of line count, the Commission nevertheless requires the rate-of-return regulated companies to report line counts as of September 30, 2011 to enable Commission Staff to calculate the maximum per line assessment for these companies and KUSF support available to competitive ETCs.

8. The Commission establishes the following procedural schedule:

Filing of data	November 2, 2011
Staff direct testimony	December 23, 2011
Intervener testimony	January 4, 2012
Staff rebuttal testimony, if needed	January 11, 2012
Hearing	January 17-18, 2012
Commission order	January 25, 2012

9. Consistent with past procedures, a party becoming aware of a computational error within the calculations supported by Staff's direct testimony should notify Staff as quickly as possible to allow Staff to file revised calculations, if necessary.

10. An evidentiary hearing will be held on January 17-18, 2012, beginning at 9:00 a.m. in the Commission's First Floor Hearing Room, 1500 SW Arrowhead Road, Topeka Kansas. The Commissioners will preside. Any party who fails to attend or participate in the hearing or in any other stage of this proceeding may be held in default under the Kansas Administrative Procedure Act, K.S.A. 2010 Supp. 77-518(c)(8) and K.S.A. 77-520.

11. A pre-hearing conference will be established at a later date, if deemed necessary.

12. The Commission makes all telecommunications public utilities, including telecommunications carriers, wireless telecommunications service providers, and interconnected VoIP carriers operating in the state parties to this investigation.

13. This order and the final order determining the assessment rate will be served on all parties. Any party wishing to receive pleadings and other orders shall enter an appearance in this docket by Friday, October 28, 2011.

14. The Commission observes that by agreement of the parties to past KUSF assessment dockets, only the Commission, Staff and the Citizens' Utility Ratepayer Board (CURB) have access to confidential information in this docket. The Commission will issue a Protective Order applicable to CURB only.

IT IS, THEREFORE, BY THE COMMISSION ORDERED THAT:

A. This docket shall be opened for the purposes of determining the KUSF assessment rate for the sixteenth year of operations, to be effective March 1, 2012.

B. Parties that wish to receive pleadings and intermediate orders shall enter their appearances, as set out above, by **Friday, October 28, 2011**. All data required on the relevant Attachments and supporting documentation must be submitted no later than **November 2, 2011**. The procedural schedule set out in paragraph 8, above, is adopted.

C. The parties have fifteen days, plus three days if service of this order is by mail, from the date this order was mailed in which to petition the Commission for reconsideration of any issue or issues decided herein. K.S.A. 66-118b; K.S.A. 2010 Supp. 77-529(a)(1).

D. The Commission retains jurisdiction over the subject matter and parties for the purpose of entering such further orders as it may deem necessary.

BY THE COMMISSION IT IS SO ORDERED.
