PETITION TO INTERVENE

COMES NOW, the Citizens' Utility Ratepayer Board ("CURB") and moves the Corporation Commission of the State of the Kansas ("Commission") for an order permitting it to intervene in the above-captioned proceeding. In support of its petition, CURB states and alleges as follows:

1. CURB is composed of five volunteer consumer advocate members and is statutorily authorized to represent the interests of Kansas residential and small commercial ratepayers in utility proceedings.

3. On May 18, 2004, Kansas City Power & Light Company ("KCP&L") filed a request with the Kansas Corporation Commission to open an investigatory docket and to establish an informal panel discussion process. The purpose of the investigatory docket and informal panels will be to discuss and gain consensus on, constructive regulatory responses to emerging issues that will affect the supply, delivery and pricing of the electric service provided by KCP&L.

4. CURB is requesting permission to intervene in this docket to represent the interests of the residential and small commercial ratepayers of Kansas. The rates paid and the service received by those customers will or may be affected by any Commission order or activity in this proceeding.

5. The representation of CURB's interests in this proceeding by existing parties is or may be inadequate.

6. The residential and small commercial ratepayers whose interests CURB represents will or may be bound by any Commission order or activity in this proceeding and will or may be adversely affected thereby.

WHEREFORE, CURB RESPECTFULLY REQUESTS THE Commission grant its Petition for Intervention in this Docket.
