Dear Ms. Chaney-Tucker:

Attached for electronic filing are revisions to the Brightspeed Companies of Kansas General Exchange Service Tariff. Attachment A includes a list of pages included in this filing.

This filing grandfathers various packaged offers available to residential customers effective July 26, 2025. A grandfathered service is one that is no longer sold, and availability is limited to lines currently in service at existing locations. This change does not impact services or features currently provided on grandfathered accounts.

Brightspeed is a price-cap regulated carrier and makes this tariff filing in accordance with K.S.A. 2005(q)(1)(F) which declared the services contained herein as price deregulated.

Should you have questions or need additional information regarding this filing, please contact me at the phone number or the e-mail address listed below.

Sincerely,

A handwritten signature in black ink that reads "Ashley Douglas".
