February 3, 2017

Amy Green  
Secretary  
Kansas Corporation Commission  
1500 SW Arrowhead Road  
Topeka, KS 66604

Dear Ms. Green:

Enclosed for filing with the Commission are revisions to the following pages of Blue Valley Tele-Communications' (BLVT) [LEC] General Exchange Tariff:

- Index, 7<sup>th</sup> Revised Sheet 1
- Section 2, 2<sup>nd</sup> Revised Sheet 14
- Section 2, 4<sup>th</sup> Revised Sheet 15
- Section 3, 5<sup>th</sup> Revised Sheet 5

With this filing, Blue Valley is revising bundled services pricing to reflect the March 1, 2017 local rate increase and changes in programming for non-regulated services. Additionally, the company is removing Public Telephone Service language as they no longer provide payphones. The company estimates additional monthly revenue of approximately \$3,500.

Please return a stamped copy of the tariff sheets upon Commission approval.

If you have any questions concerning this filing, please contact me on (785) 862-2001.

Sincerely,

*/s/ Tom Maurer*

Tom Maurer  
Director

3.4 Payphone Exchange Service

3.41 General

- A. Payphone exchange service is offered for use with a payphone furnished by payphone service providers. Payphone exchange service requires a coin, coinless, and/or coin/card reader payphone.
- B. Payphone exchange service is a two-way, one-party business access line composed of the serving central office line equipment, all Company outside plant facilities needed to connect the serving central office with the customer premises, and the network interface.
