- **Petition of Westar Energy, Inc. and Kansas Gas and Electric Company (collectively "Westar") for Determination of the Ratemaking Principles and Treatment that Will Apply to the Recovery in Rates of the Cost to be Incurred by Westar for Certain Power Purchase Agreements under K.S.A. 2003 Supp.66-1239, and the Direct Testimony of James Ludwig contained within, filed November 10, 2010. (no KCC docket number available at this time)**

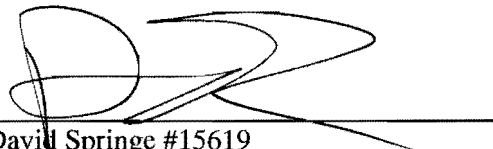

1. Each of these documents is part of the Commission files and is available on the Commission website. With the exception of the recently filed Petition of Westar Energy, each of the documents above discuss and/or interpret the Commission policy Orders related to energy efficiency or are the orders themselves.

2. The recently filed Petition of Westar and the Direct Testimony of James Ludwig contain therein, contain an up-to-date discussion of Westar's current generation capacity, demand forecasts and future generation needs. As such, the information is relevant to the current proceeding.

3. CURB will provide a copy of each document for the Commission to reference during the upcoming proceedings scheduled for November 22, 2010.

WHEREFORE, CURB respectfully requests the Commission grant its request to take administrative notice of the above documents.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'DS', is written over a horizontal line.
