3. On January 29, 2013, Sunflower Electric Power Corporation (“Sunflower”) and Pioneer jointly filed a Firm Energy, Capacity and Ancillary Service Agreement with each of the City of Hugoton and City of Johnson (each hereinafter referred to as the “Power Supply Agreement” and collectively, the “Power Supply Agreements”) for informational purposes in the instant docket, pertaining to jurisdictional services with public utilities whereby (i) Pioneer is providing firm electric power and energy to the City of Johnson, Kansas and the City of Hugoton, Kansas; and (ii) Sunflower is claiming the accredited capacity of each city’s owned generation to meet planning requirements under the Southwest Power Pool (“SPP”) Criteria and may call on such generating capacity as necessary to meet Sunflower’s native system load requirements or reliability requirements.

4. On August 20, 2015, Pioneer filed in the instant docket a Supplemental Informational Filing regarding amendments to the Power Supply Agreements with each of the City of Johnson and the City of Hugoton. 7. The Extension Agreement, attached hereto as Exhibit A and incorporated herein by reference, is considered CONFIDENTIAL as it contains customer-specific contracts that contain confidential commercial information. 8. The terms and conditions of the Extension Agreement are just and reasonable and in the public interest.
