When any franchise, occupation, sales, license, excise, privilege or similar tax or fee of any kind is imposed upon the company by any taxing authority based upon (1) the sale of electric service to customers, (ii) the amounts of electric energy sold to customers, or (iii) the gross receipts, net receipts or revenues to the Company therefrom, such tax or fee shall, insofar as practical, be charged on a pro rata basis to all customers so affected receiving electric service from the Company within the boundaries of such taxing authority. The pro rata amounts of such taxes and fees shall, in all cases, be set out as separate items on the bills of customers so affected, as additions to the other charges for electric service hereunder.

METHOD OF BILLING:

Where any such tax or fee is based upon the gross receipts, net receipts or revenues from electric service by the Company within such taxing authority, an amount proportionate to the applicable percentage thereof will be included as a separate item and added to each customer's bill so affected. Where any such tax or fee is based other than on a percentage of receipts or revenues from electric service, a pro rata amount of such tax or fee shall be added to each customer's bill so affected. All such amounts collected by the Company shall be paid or credited by the Company to the taxing authority in accordance with the ten effective regulations of such taxing authority. The pro rate taxes and fees applicable to each customer's so affected will be on the customer's bill and identified as such.

Delivery charges separately stated on a customer's bill are not included in the sales or selling price charged to the customer, are not part of the gross receipts from the sale of retail utility services, and so are not subject to Kansas sales tax. Evergy implemented this tax exemption effective September 30, 2025, per Kansas Corporation Commission order in docket 25-EKCE-548-TAR.

TAX ADJUSTMENTGENERAL APPLICABILITY

When any governing body of a taxing subdivision imposes a franchise, occupation, business, sales, license, excise, privilege or similar charge of any kind on Company based upon, (1) the sale of Electric Service to customers (2) the amounts of electric energy sold to customers, or (3) the gross receipts or revenues to Company therefrom, such tax or fee shall, to the extent practical, shall be charged on a pro rata basis to all customers within the boundaries of such taxing subdivision. The amount of such charge shall become a part of the total bill for electric service furnished. Any customer exempted from this tax or fee by the taxing subdivision in the calculation of the tax or fee shall be exempted from the adder contemplated herein, unless Commission determines otherwise.

METHOD OF BILLING

- A. Where the tax or fee is levied on a percentage of gross receipts, that percentage will be applied to each customer's bill so affected, and the amount so computed will be added as a separate item to such customer's bill.
- B. Where the tax or fee is levied other than on a percentage of gross receipts, there shall be added to each customer's bill so affected, that proportionate part of such total tax or fee imposed by the taxing subdivision in conformity with the basis of such total tax or fee. The pro rata tax or fee applicable to each customer so affected will be added as a separate item on the customer's bill.
- C. Delivery charges separately stated on a customer's bill are not included in the sales or selling price charged to the customer, are not part of the gross receipts from the sale of retail utility services, and so are not subject to Kansas sales tax. Evergy implemented this tax exemption effective September 30, 2025, per Kansas Corporation Commission order in docket 25-EKCE-548-TAR.
