WITHDRAWAL OF MOTION FOR AN ORDER TO SHOW CAUSE

On March 3, 2015, Staff filed a motion requesting that an order to show cause be issued against Operator, based upon Commission records showing that the Lygrisse #B-4, API #15-173-20523-00-00, appeared to be an unplugged well on Operator's expired license.

Since filing its motion, Staff has been in communication with Operator. Staff recently inspected the supposed location of the Lygrisse #B-4, that location being based upon historical paperwork filed by Operator. Staff has been unable to locate the well. Either the well was not drilled at the location indicated by Commission files, or the well has been buried with no evidence of its existence at the surface.

Staff therefore withdraws its motion for an order to show cause, with the understanding that proceedings could be reinitiated if future developments so warrant.

Respectfully submitted,
