ORDER GRANTING WAIVER OF FILING REQUIREMENTS UNDER K.A.R. 82-1-231

The above-captioned matter comes before the State Corporation Commission of the State of Kansas (Commission) for consideration and decision. Having examined its files and records, and being duly advised in the premises, the Commission makes the following findings:

1. On December 5, 2011, Mid-Kansas Electric Company, LLC (Mid-Kansas), Commission Staff and the Citizens' Utility Ratepayer Board (CURB) (Joint Petitioners) petitioned the Commission for an Order waiving certain filing requirements pursuant to K.A.R. 82-1-231 with respect to the filing of the general rate case involving Mid-Kansas and one of its member-owners, Lane Scott Electric Cooperative, Inc. (Lane Scott). Joint Petition for Waiver of Filing Requirements, December 5, 2011 (Joint Petition).

2. In Docket No. 09-MKEE-816-MIS (09-816 Docket), Mid-Kansas, Staff, and CURB filed a similar Joint Petition for Waiver of Filing Requirements to facilitate the filing by Mid-Kansas of a general rate proceeding consisting of a Mid-Kansas wholesale rate, and six "divisional" retail rate structures reflecting cost-of-service for each of the members. Joint Petitioners stated it was recognized in that docket that while Mid-Kansas is subject to the filing requirements of K.A.R. 82-1-231, certain requirements in the regulation are more applicable to

investor-owned utilities, and the parties presented a modified filing requirements schedule for Commission approval. The Commission approved a modified filing requirement in the 09-816 Docket, and Mid-Kansas has filed two dockets since that time utilizing the modified filing requirements. Joint Petition, ¶¶ 6-7. The Joint Petitioners stated the modified filing requirements are sufficient to allow a thorough review of the cost-of-service requirements for Mid-Kansas' divisional rate for the Lane Scott division, and requested the Commission approve the use of Attachment A, and waive the filing requirements of K.A.R. 82-1-231 for this proceeding. Joint Petition, ¶ 7.

3. The Commission has authority, pursuant to K.A.R. 82-1-231(i), to waive filing requirements of the regulation for good cause shown. The Commission finds that good cause has been shown to grant a waiver of the filing requirements of K.A.R. 82-1-231. The Commission has reviewed the Joint Petition and finds that the request made therein to be reasonable, and determines the Joint Petition should be granted. The Commission approves the use of the modified filing requirements, attached to this Order as Attachment A, in this proceeding.

IT IS, THEREFORE, BY THE COMMISSION ORDERED THAT:

A. The Commission grants the Joint Petition for Waiver of Filing Requirements. The Commission waives the filing requirements of K.A.R. 82-1-231 for the purpose of this proceeding, and approves of the use of the modified filing requirements, attached to this Order as Attachment A.

B. A party may file a petition for reconsideration of this Order within 15 days from the date of service of this Order. If service is by mail, service is complete upon mailing and three days shall be added to the above time frame.

C. The Commission retains jurisdiction over the subject matter and the parties for the purpose of entering such further order or orders as it may deem necessary and proper.

BY THE COMMISSION IT IS SO ORDERED.
