an order authorizing the unitization and unit operation of the)
Sutor-Ziegler Waterflood Unit to be located in Sheridan) CONSERVATION DIVISION
County, Kansas)
License No: 5135

NOTICE OF APPLICATION

TO: ALL OIL AND GAS OPERATORS, PRODUCERS AND LESSEES, OIL AND GAS LESSORS AND ROYALTY OWNERS, MINERAL INTEREST OWNERS, LANDOWNERS, OVERRIDING ROYALTY INTEREST OWNERS, OTHER OWNERS OF OIL AND GAS INTERESTS, MORTGAGEES OF OIL AND GAS INTERESTS AND ALL OTHER PERSONS CONCERNED:

You and each of you are hereby notified that John O. Farmer, Inc. (Farmer) has filed an application with the Kansas Corporation Commission (Commission) pursuant to K.S.A. 55-1301, et seq., seeking an order authorizing the unitization and unit operation of the Sutor-Ziegler Waterflood Unit (Unit). The area of the proposed Unit which shall be operated by Farmer includes all of Section Thirty (30), Township Eight (8) South, Range Twenty-six (26) West in Sheridan County, Kansas. Farmer proposes to unitize the oil rights to a pool within the Lansing-Kansas City Formation and all formations above the Lansing-Kansas City Formation beneath the area of the Unit. The stratigraphic equivalent of the Unitized Formations begins at the surface (0') and continues down to the Base Lansing-Kansas City Formation (3,884' TVD) as shown on the logs of the Sutor #6 well (API #15-179-21100). Farmer intends to conduct enhanced oil recovery operations within said pool in order to increase the recovery of oil reserves and will allocate oil production from the Unit across two individual tracts on a fair, reasonable, and equitable basis. The application is pending with the Commission. Any persons who object or protest to the granting of the application shall be required to file their objections or protests in writing with the Commission within fifteen (15) days after the date of this publication. If a written protest is not timely filed, the application may be determined administratively by the Commission and may thereby be granted without hearing or further notice to any interested party. All objections and protests shall clearly state the reasons why granting the application will violate correlative rights, cause waste, or pollute water resources. Objections or protests shall be mailed to the Kansas Corporation Commission Conservation Division, 266 North Main Street, Suite 220, Wichita, Kansas 67202, with a copy to Farmer's attorneys listed below. All parties in anyway interested or concerned shall take notice of the foregoing and gather themselves accordingly.
