### Hearing request

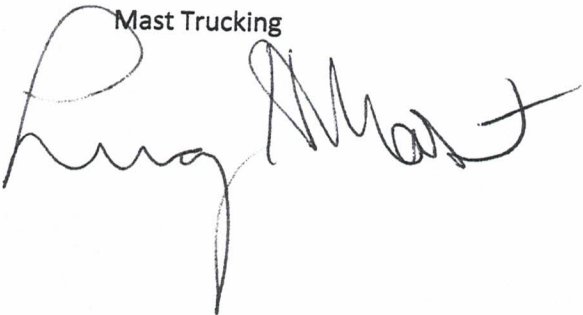

In response to the penalty assessment 22-TRAM-247-PEN we Mast Trucking Inc are requesting a hearing to dispute charge c. It states that we allowed or permitted Alan Clark to falsify his log. We want to have the charge changed to reflect that this was a form and manner violation due to Alan Clark's failure to list Brandon Clark as his co-driver. Brandon drove on September 20<sup>th</sup> to load and start out to Iowa. Once he was done driving Alan then drove. When only looking at Alan Clark's log it will of course show he was in Kansas and then he was in Iowa with no driving under his log between them.

Attached will be both of the Clarks' logs for September 20<sup>th</sup> and 21<sup>st</sup>.

Disciplinary Record

HOS: Form and Manner

Driver: Alan Clark

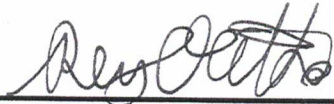

On September 20<sup>th</sup> 2021 driver failed to adhere to his form and manner requirements by not adding his co-driver Brandon Clark to his log.

No disciplinary action can be taken at this time. In the interim between the investigation and the penalty assessment this individual has left our employ. Supposedly he will return once his truck is fixed and if that happens this issue will be readdressed. As of this time it appears unlikely.
