**APPLICATION FOR APPROVAL OF A
UNE FORBEARANCE AMENDMENT**

COMES NOW, Embarq Missouri, Inc. d/b/a CenturyLink, United Telephone Company of Kansas d/b/a CenturyLink, United Telephone Company of Southcentral Kansas d/b/a CenturyLink, and United Telephone Company of Eastern Kansas d/b/a CenturyLink (hereinafter connectively “CenturyLink”) and files this Application for Approval of a UNE Forbearance Amendment (“Amendment”) between CenturyLink and Comcast Phone of Kansas, LLC d/b/a Comcast Digital Phone (“CLEC”) pursuant to the Telecommunications Act of 1996 (“the Act”). In support of its Application, CenturyLink states the following:

I. AMENDMENT

CenturyLink presents to the Commission the Amendment for approval pursuant to the terms of the Act. The implementation of the Amendment complies fully with Section 252(e) of the Act because the Amendment is consistent with the public interest, convenience and necessity and does not discriminate against any telecommunications carrier. The Amendment promotes diversity in providers and increases customer choice for telecommunications services. The negotiated and executed Amendment is also consistent with Kansas regulatory statutes.

CenturyLink and Comcast entered into the Interconnection Agreement which was approved by the Commission in Docket No. 17-UTDT-077-IAT on November 1, 2016.

II. REQUEST FOR APPROVAL

CenturyLink seeks the Commission's approval of the Amendment, consistent with the provisions of the Act. The Amendment is bilateral, reached as a result of negotiation and compromise between the parties. There are no outstanding issues involving the limited subject matter of the Amendment that require the assistance of mediation or arbitration. CenturyLink and CLEC do not believe a docket or intervention by other parties is necessary or appropriate.

CenturyLink requests that the Commission grant expeditious approval of the Amendment, without change, suspension or other delay in its implementation.

III. STANDARD OF REVIEW

The statutory standard of review under Section 252(e) of the Act states:

(e) Approval by State Commission.

(1) Approval Required. – Any interconnection agreement adopted by negotiation or arbitration shall be submitted for approval to the State commission. A State commission to which an agreement is submitted shall approve or reject the agreement with written findings as to any deficiencies.

(2) Grounds For Rejection – The State commission may only reject –

(A) an agreement (or any portion thereof) adopted by negotiation under subsection (a) if it finds that –

(i) the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement; or

(ii) the implementation of such agreement or portion is not consistent with the public interest, convenience and necessity.

ATTACHMENT 1

1. UNE Analog Loops

Pursuant to the terms of the Forbearance Orders, the terms and conditions under which Comcast may order and maintain Analog Unbundled Loops, as provided in the Agreement and Two-Wire/Four-Wire Unbundled Distribution Loop as provided in the Agreement (together, referred to as "Analog Unbundled Loops") are altered as follows:

- a. **Effective Date to February 2, 2020** - During the time period from the Effective Date of this Amendment until February 2, 2020, Comcast may order Analog Unbundled Loops pursuant to the applicable terms and conditions of the Agreement. In addition, Comcast may make changes in existing Analog Unbundled Loop arrangements, also pursuant to the applicable terms of the Agreement.
 - b. **February 2, 2020 to August 2, 2022** - After February 2, 2020, Comcast cannot order any Analog Unbundled Loops from CenturyLink pursuant to the applicable provisions of the Agreement.
 - i. For any Unbundled Analog Loops procured under the terms of the Agreement ("Existing Analog Loops") on February 2, 2020 or prior, CenturyLink will continue to provide such Existing Analog Loops pursuant to the terms of the agreement, including the applicable rates delineated in Exhibit A of this Amendment.
 - ii. Comcast cannot make any changes to such Existing Analog Loops, as they will be treated in a "grandfathered" status, with continued receipt, maintenance or disconnection of the Existing Analog Loops the only options under the Agreement available to Comcast. If Comcast issues an order to change such services, it will be treated as a conversion to Special Access services being provided solely under the Tariffs, rather than under the Agreement; provided however, to the extent that in the course of maintenance activities, CenturyLink requires Comcast to reorder an Existing Analog Loop Service in order to respond to a maintenance issue, that order will not be deemed to be a change or disconnection of the Existing Analog Loop Service.
 - iii. Comcast agrees that it will no longer submit orders for Analog Unbundled Loops under the Agreement from CenturyLink after February 2, 2020. Comcast agrees that it is the responsibility of Comcast to ensure that no further orders for such Analog Unbundled Loops under the Agreement are submitted after February 2, 2020.
2. In order to ensure compliance with these provisions, CenturyLink, on a periodic basis, may conduct an internal review of Comcast's order activity to identify any instances of Analog Unbundled Loops ordered under the terms of the Agreement after February 2, 2020.

3. Should such instances be identified, the Parties further agree that CenturyLink will notify Comcast. Upon such notification, Comcast will take prompt action to either:
 - a. Order such services as new special access service, if available, under the terms of an applicable CenturyLink Tariff or Price List;
 - b. If a commercial agreement governing Analog Unbundled Loop services is in place and effective, order such services as new under the terms of such commercial agreement; or
 - c. Disconnect such service.
3. CenturyLink may issue a bill, using the effective date of the change and the date that the applicable Analog Unbundled Loop was originally installed, for the difference between the Analog Unbundled Loop rate and the applicable special access rate, or, if applicable, the commercial agreement rate ("Analog Loop True-Up Bill"); provided however, a Analog Loop True-Up Bill will be issued no more than six (6) months following the date such service(s) was originally installed and effective.
- iv. Comcast agrees that any provisions in the Agreement that provide for Line Splitting or Loop Splitting are also removed and may no longer be ordered, as they all involve an order of an Unbundled Analog Loop. Any existing arrangements will be maintained during the time period of this section.
- c. **After August 2, 2022** - The Parties agree that CenturyLink will no longer provide any Unbundled Analog Loops under the terms of the Agreement after August 2, 2022, including any arrangements for Line Splitting or Loop Splitting. Comcast is solely responsible for either disconnecting such Analog Unbundled Loops or converting them to a service under the applicable Tariffs prior to August 2, 2022. For any Analog Unbundled Loops in place as of August 2, 2022, Comcast agrees that following notice consistent with the Notices requirements of the Agreement to Comcast identifying such Analog Unbundled Loops, Comcast will disconnect such Analog Unbundled Loops or CenturyLink will convert any such Analog Unbundled Loops to the appropriate Special Access service under the applicable Tariff, and Comcast is then responsible for such services under that Tariff. In addition, should any charges be applicable under the Special Access Tariff as part of that conversion, Comcast agrees that it is responsible for payment of such charges. As Line Splitting and Loop Splitting are not available service under CenturyLink's Tariffs, Comcast must convert to alternative arrangements that meet its needs, as such arrangements will be terminated after August 2, 2022, following notice consistent with the Notices requirements of the Agreement from CenturyLink.
- d. **UNE Combinations** – Any UNE Combinations provided under the Agreement that might include UNE Analog Loop are also treated as UNE Analog Loops under this Agreement.

2. UNE Transport

Pursuant to the terms of the Forbearance Orders, the terms and conditions under which Comcast may order and maintain Unbundled Dedicated Transport, as provided in the Agreement and Enhanced Extended Loop (“EEL”), as provided in the Agreement (together, referred to as “UNE Transport”) are altered as follows:

- a. **Effective Date to January 12, 2020** - During the time period from the Effective Date of this Amendment until January 12, 2020, Comcast may order UNE Transport pursuant to the applicable terms and conditions of the Agreement. In addition, Comcast may make changes in existing UNE Transport arrangements, also pursuant to the applicable terms of the Agreement.
- b. **January 12, 2020 to July 12, 2022** - After January 12, 2020, Comcast cannot order any UNE Transport from CenturyLink pursuant to the applicable provisions of the Agreement that has each endpoint in one of the Serving Wire Centers listed on the Wholesale website: <http://www.centurylink.com/wholesale/clecs/nta.html#UNE-F> (“Forbearance UNE Transport”). For any UNE Transport that does not meet the definition of Forbearance UNE Transport, such UNE Transport will continue to be available and provided under the terms of the Agreement, including the terms under which it may be withdrawn.
 - i. For any Forbearance UNE Transport procured under the terms of the Agreement (“Existing Forbearance UNE Transport”) on January 12, 2020 or prior, CenturyLink will continue to provide such Existing Forbearance UNE Transport pursuant to the terms of the Agreement, including the applicable rates delineated in Exhibit A of this Amendment.
 - ii. Comcast cannot make any changes to such Existing UNE Transport, as they will be treated in a “grandfathered” status, with continued receipt, maintenance or disconnection of the Existing UNE Transport the only options under the Agreement available to Comcast. If Comcast issues an order to change such services, it will be treated as a conversion to Special Access services being provided solely under the Tariffs, rather than under the Agreement; provided however, to the extent that in the course of maintenance activities, CenturyLink requires Comcast to reorder an Existing UNE Transport in order to respond to a maintenance issue, that order will not be deemed to be a change or disconnection of the Existing UNE Transport.
 - iii. Comcast agrees that it will no longer submit any orders for Forbearance UNE Transport under the Agreement from CenturyLink after January 12, 2020. Comcast agrees that it is the Comcast’s responsibility to ensure that no further orders for such Forbearance UNE Transport under the Agreement are submitted after January 12, 2020.
 - 1. In order to ensure compliance with these provisions CenturyLink, on a periodic basis, may conduct an internal review of Comcast’s order activity to identify any instances of Forbearance UNE Transport ordered under the terms of the Agreement after January 12, 2020.

2. Should such instances be identified, the Parties further agree that Comcast will promptly disconnect such service(s).
- c. **After July 12, 2022** - The Parties agree that CenturyLink will no longer provide any Forbearance UNE Transport under the terms of the Agreement after July 12, 2022. Comcast is solely responsible for either disconnecting such Forbearance UNE Transport or converting to Special Access service under the applicable Tariffs prior to July 12, 2022. For any Forbearance UNE Transport in place as of July 12, 2022, Comcast agrees that following a notice consistent with the Notices requirements of the Agreement to Comcast identifying such Forbearance UNE Transport, Comcast will either disconnect such Forbearance UNE Transport or CenturyLink will convert any such Forbearance UNE Transport to the appropriate Special Access service under the applicable Tariff, and Comcast is then responsible for such services under that Tariff. In addition, should any charges be applicable under the Tariff as part of that conversion, Comcast agrees that it is responsible for payment of such charges.
