**MOTION TO SUSPEND INTRASTATE MOTOR CARRIER OPERATIONS**

The Staff of the State Corporation Commission of the State of Kansas (Staff), by and through its counsel, files its motion requesting the Commission suspend A Plus Concrete Works & Design LLC of Kansas City, Kansas (Carrier) from all intrastate commercial motor carrier operations. In support of its Motion, Staff states as follows:

1. Carrier is a motor carrier as defined in 49 C.F.R. Part 390.5, as adopted by K.A.R. 82-4-3f, that operates commercial motor vehicle(s) in interstate commerce.
2. Carrier is registered as a motor carrier with the U.S. Department of Transportation (USDOT) and operates under USDOT number 3747279.
3. On March 22, 2022, the Commission issued Carrier a Penalty Order that assessed a civil penalty of \$300 for failure to pay the Unified Commercial Registration (UCR) fees for 2021 this docket.<sup>1</sup>
4. Carrier was sent a collection letter on September 16, 2022, reminding it of the amount due and giving it 10 days from the date of the collection letter to pay. A copy of the collection letter is attached hereto.

---

<sup>1</sup>See Penalty Order (March 22, 2022).

5. As of October 13, 2022, Commission records indicate that Carrier has not complied with the collection letter or the requirements of the Penalty Order.

6. Staff asks the Commission find that Carrier's failure to comply with the requirements of the Penalty Order poses a potential immediate threat to the safety and welfare of the public of the state of Kansas.

7. Based on the presented facts, Staff requests the Commission issue an order suspending Carrier's intrastate motor carrier operations until such time as Carrier pays the penalty of \$300 as well as its 2021 and 2022 UCR fees, at which time Staff will recommend the Commission enter an order of reinstatement of intrastate motor carrier operations.

**WHEREFORE**, for the reasons stated above, Staff respectfully requests that the Commission issue an order suspending Carrier's intrastate motor carrier.

Respectfully submitted,

Re: Docket No. 22-TRAM-434-PEN  
In the Matter of the Investigation of **A Plus Concrete Works & Design LLC of Kansas City, Kansas**, Regarding the Violation(s) of the Motor Carrier Safety Statutes, Rules and Regulations and the Commission's Authority to Impose Penalties, Sanctions and/or the Revocation of Motor Carrier Authority.

On March 22, 2022, a Penalty Order was issued against A Plus Concrete Works & Design LLC for violations of motor carrier safety statutes, rules and regulations. The order assessed it a civil penalty of \$300.

To date, this civil penalty has not been paid, nor has evidence been provided to the Commission to avoid sending this matter to a collection agency and/or submission to the Kansas state setoff program for the garnishment of any tax refund that might be due you. Please remit payment of \$300 along with any unpaid UCR fees for 2021 and/or 2022, through your personal account in the Kansas Corporation Commission's KTRAN application located at <https://puc.kcc.ks.gov/ktran/>. If you have not received a letter from the Transportation Division assigning you a PIN, please contact that Division at 785-271-3145. You must have an account through KTRAN to pay the penalty owed and any unpaid UCR fees for 2021 and/or 2022.  
**Payment must be made within the next 10 days.**

This letter further serves as notice that operation of a commercial motor vehicle in violation of a Commission Penalty Order may subject your company to additional civil penalties and sanctions, including the issuance and enforcement of out-of-service orders and possible impoundments.

Thank you for your prompt attention to this matter. If you have any questions or concerns, please feel free to call UCR Manager Verna Jackson at (785) 271-3104.

Respectfully,
