Topeka, KS 66604-4027

Re: Docket No. 12-KGSG-721-TAR; Compliance Filing; Docket 13-KGSG-538-CPL.

Dear Ms. Retz,

In compliance with the Commission's order in Docket No. 12-KGSG-721-TAR which required Kansas Gas Service, a Division of ONE Gas, Inc., ("KGS" and/or "Company") to annually file information detailing the number of remaining cast iron pipe in its system, further identified by pipe diameter. Additionally, the Commission also requested the Company include the number of leaks discovered each year due to corrosion, organized by pipe diameter.

As stated in the Company's compliance filing made February 28, 2020, KGS' cast iron inventory reached zero in 2019. For calendar year 2020, KGS has no change to its cast iron inventory as reported in 2019 and subsequently had no leaks in cast iron pipe.

Sincerely,

*/s/Janet Buchanan*
