The above captioned matter comes before the State Corporation Commission of the State of Kansas (Commission) for consideration and decision. Having examined its files and records, and being fully advised in all matters of record, the Commission makes the following findings:

- B. This order is procedural in nature and constitutes non-final agency action. A party may file a petition for reconsideration of this order within 15 days of the service of this order. If this order is mailed, service is complete upon mailing and 3 days may be added to the above time frame.
