MOTION FOR SUMMARY PROCEEDINGS

(Amended Application)

John O. Farmer, Inc. ("Farmer") respectfully requests that the State Corporation Commission of the State of Kansas ("Commission") use summary proceedings pursuant to K.S.A. 77-537 to grant the captioned Application as amended. No interested party objects to or protests the Amended Application filed in this docket. The Commission possesses the power and authority to utilize summary proceedings to grant the Amended Application and doing so would be consistent with the Commission's mandate to prevent physical and economic waste. In support of its motion, Farmer states as follows:

- 1. On April 16, 2021, Farmer filed an Amended Application ("Amended Application") for an order authorizing the Unitization and Unit Operation of its proposed Sutor-Ziegler Waterflood Unit in Sheridan County pursuant to K.S.A. 55-1301, et seq. A proposed plan of Unit Operations consistent with the requirements of K.S.A. 55-1305 was included with the Amended Application.
- 2. Notice of the Amended Application was mailed to all interested parties on April 16, 2021 and was published in the *Wichita Eagle* and the *Sheridan Sentinel*, an official newspaper of Sheridan County, Kansas, on April 22, 2021.
 - 3. The time to submit a written protest to the Amended Application has expired.

- 4. Farmer has received no protests or objections to the Amended Application, and none has been docketed by the Commission.
- 5. Farmer is ready, willing, and able to commence Unit Operations on the Sutor-Ziegler Waterflood Unit upon the granting of the Amended Application and has been since the date the protest period expired.
- 6. The KAPA provides that the Commission may use summary proceedings in lieu of holding a formal hearing if:
 - (1) The use of summary proceedings in the circumstances does not violate any provision of law;
 - (2) The protection of the public interest does not require the Commission to give notice and opportunity to participate to persons other than the parties;
 - (3) The Commission believes in good faith that the disposition and approval of the Amended Application will be supported to the applicable standard of proof; and
 - (4) The order does not take effect until after the time for requesting a hearing has expired.
 - 7. The use of summary proceedings does not violate any provision of law.
- 8. Notice of the Amended Application has been provided to all interested parties and published in the manner required by law.
- 9. The oversight provided on behalf of the public by Commission staff is sufficient to protect the public at large.
- 10. The Amended Application is uncontested, and Farmer has complied with all requirements for Unitization.
- 11. The time to request a hearing has expired making the Amended Application ripe to be granted.

12. The use of summary proceedings would avoid the unnecessary cost and inconvenience of an uncontested evidentiary hearing and allow Farmer to immediately commence Unit Operations thereby preventing economic and physical waste.

WHEREFORE, for the reasons set forth above, Farmer respectfully requests that the Commission utilize the summary proceedings available under the KAPA to grant Farmer's Amended Application and to provide such further and other relief as the Commission deems just and proper.

Respectfully Submitted,
