RE: YourTel America, Inc. Confidential Compliance Filing
Docket No. 12-TPCT-768-ETC

Dear Director Day:

Pursuant to the Order Clarifying Filing Requirements issued by the Kansas Corporation Commission on December 5, 2012 in Docket No. 12-TPCT-768-ETC, enclosed please find YourTel America Inc.'s ("YourTel") required report listing the number of Kansas customers subscribing to each calling plan where a state and/or federal Lifeline subsidy is being applied.

Pursuant to K.A.R. 82-1-221a, YourTel respectfully requests that this filing be confidential. A redacted version has also been submitted for the public. YourTel takes measures to protect this information when it is made available to non-employees and employees alike, which is done only under limited circumstances. Specifically, making customer plan and count information public would allow a competitor access to otherwise unavailable information to benchmark YourTel's internal operations against its own, and draw inferences about YourTel's operations and demand for its services. A competing company would not be able to gain this information from any publicly available sources.

If you have any questions or require additional information, please contact me at (405) 755-8177 ext. 103 or by email at mdean@telecompliance.net.

Sincerely,

/s/ Matt W. Dean
