Re: Docket No. 06-SWBT-449-IAT – In the Matter of the Application of  
Southwestern Bell Telephone, L.P. for Approval of Interconnection Agreement  
Under the Telecommunications Act of 1996 with Comcast Phone of Kansas, LLC.

Dear Ms. Retz:

Attached, via electronic filing with the Commission, is Southwestern Bell Telephone Company d/b/a AT&T Kansas' Application for Approval of an Amendment to Interconnection Agreement. The Application seeks approval of an amendment to the interconnection agreement between Southwestern Bell Telephone Company d/b/a AT&T Kansas and Comcast Phone of Kansas, LLC. ("Comcast") approved by the Commission on November 2, 2005 in the above-captioned docket (hereinafter "the Agreement"). Also attached is the supporting Affidavit of Sally A. Briar, Area Manager-Regulatory Relations.

This proposed amendment implements FCC Order 20-152 in WC Docket No. 19-308, the FCC UNE Relief Order. The Agreement, with this proposed amendment and the attachments incorporated therein, is an integrated package and is the result of negotiation and compromise. There are no outstanding issues between the parties that need the assistance of mediation or arbitration. Comcast is registered as active and in good standing with the Kansas Secretary of State's office.

AT&T Kansas files this proposed amendment to the Agreement seeking Commission approval of its terms and conditions consistent with the Federal Telecommunications Act of 1996. AT&T Kansas represents and believes in good faith that the implementation of this amendment to the Agreement is consistent with the public interest, convenience and necessity and does not discriminate against any telecommunications carrier. AT&T Kansas specifically requests that the Commission refrain from taking any action to change, suspend or otherwise delay implementation of this amendment to the Agreement, in keeping with the support for competition previously demonstrated by the Commission.

**APPLICATION OF SOUTHWESTERN BELL TELEPHONE COMPANY  
FOR APPROVAL OF AN AMENDMENT TO INTERCONNECTION AGREEMENT**

COMES NOW Southwestern Bell Telephone Company d/b/a AT&T Kansas and hereby files its Application for Approval of an Amendment to the Interconnection Agreement under the Telecommunications Act of 1996 ("Federal Act") between AT&T Kansas and Comcast Phone of Kansas, LLC ("Comcast"). In support of its Application, AT&T Kansas shows the Kansas Corporation Commission ("Commission") the following:

**I. BACKGROUND**

1. On November 2, 2005, the Commission issued its order approving an Interconnection Agreement between AT&T Kansas and Comcast (the "Agreement") in the above captioned proceeding.

**II. REQUEST FOR APPROVAL**

2. AT&T Kansas requests the Commission's approval of the proposed amendment to the Agreement, consistent with the provisions of the Federal Act. The proposed amendment implements FCC Order 20-152 in WC Docket No. 19-308, the FCC UNE Relief Order, in the current Agreement. A copy of the executed amendment is attached hereto as Attachment I and incorporated herein by this reference.

3. The implementation of the amendment to the Agreement complies fully with Section 252(e) of the Federal Act as the modifications are consistent with the Commission's previous conclusion that the Agreement is consistent with the public interest, convenience and necessity and does not discriminate against any telecommunications carrier.

4. AT&T Kansas respectfully requests that the Commission grant expeditious approval of its Application and the amendment to the Agreement, without change, suspension or other delay. The Agreement, with the proposed amendment, is a bilateral Agreement, reached as a result of negotiations and compromise between competitors, and the parties do not believe intervention by other parties is necessary or appropriate.

### **III. STANDARD FOR REVIEW**

5. The statutory standards of review are set forth in Section 252(e) of the Federal Act which provides as follows:

Section 252(e) of the Federal Act:

(e) **APPROVAL BY STATE COMMISSION**

- (1) **APPROVAL REQUIRED.** -- Any interconnection agreement adopted by negotiation or arbitration shall be submitted for approval to the State commission. A State commission to which an agreement is submitted shall approve or reject the agreement, with written findings as to any deficiencies.
- (2) **GROUND FOR REJECTION.** -- The State Commission may only reject --
  - (A) an agreement (or any portion thereof) adopted by negotiation under subsection (a) if it finds that --

- (i) the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement; or
- (ii) the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity . . .

6. The affidavit of Sally A. Briar, Area Manager-Regulatory Relations, establishes that the amendment to the Agreement submitted herein satisfies the standards for approval under the Federal Act. (Affidavit, Attachment II).

#### **IV. KANSAS LAW**

7. The proposed amendment to the Agreement is consistent with Kansas law.

#### **V. CONCLUSION**

8. For the reasons set forth above, AT&T Kansas respectfully requests an Order of the Commission approving its Application and the amendment to the Agreement.

Respectfully submitted,

---

This Amendment (the "Amendment") amends the Agreements by and between "AT&T" and Comcast as shown in the attached Exhibit B. AT&T and Comcast are hereinafter referred to collectively as the "Parties" and individually as a "Party".

**WHEREAS**, AT&T and Comcast are parties to Agreements under Sections 251 and 252 of the Communications Act of 1934, as amended (the "Act"), approved as shown in the attached Exhibit B and as subsequently amended (the "Agreements"); and

**WHEREAS**, the Parties have changed the name under which it is doing business for certain states and wish to reflect that name as the contracting entity in the underlying Agreement(s) as set forth herein.

**WHEREAS**, the Parties desire to amend the Agreement to implement the FCC Order FCC-20-152 in WC Dkt. No. 19-308; Modernizing Unbundling and Resale Requirements in an Era of Next-Generation Networks and Services which was filed with the FCC on January 8, 2021 ("FCC UNE Relief Order"); and

**NOW, THEREFORE**, in consideration of the promises and mutual agreements set forth herein, the Parties agree to amend the Agreement as follows:

1. The Amendment is composed of the foregoing recitals, exhibits and the terms and conditions contained herein, all of which are hereby incorporated by this reference and constitute a part of this Amendment.
2. The Agreement(s) is hereby amended to reflect the name as shown in the attached Exhibit B for both Parties.
3. AT&T may reflect the Comcast name from the attached Exhibit B only for the main billing account (header card) for each of the accounts previously billed to Comcast. AT&T shall not be obligated, whether under this Amendment or otherwise, to make any other changes to AT&T's records with respect to those accounts, including to the services and items provided and/or billed thereunder or under the Agreement(s). Without limiting the foregoing, Comcast affirms, represents, and

warrants that the ACNA and OCN for those accounts shall not change from that previously used by Comcast with AT&T for those accounts and the services and items provided and/or billed thereunder or under the Agreement.

4. As of February 8, 2023, Comcast may no longer order new Digital UNE Loops (“Digital Loops”) pursuant to this Agreement in Wire Centers where at least 50% of the census blocks served are designated as urbanized areas by the United States Census Bureau. For avoidance of doubt, a 4-wire HDSL 1.544mbps is not a DS0 Digital Loop and is not offered under this Section 4. Any existing Digital Loops ordered on or before February 8, 2023 (“Digital Loop Embedded Base”) are grandfathered until February 8, 2025 pursuant to rates, terms and conditions of the Agreement. Comcast shall convert the Digital Loop Embedded Base to a commercial offering, or an alternate arrangement, or disconnect such Digital Loop on or before February 8, 2025. Exhibit A to this Amendment contains Digital Loop element descriptions and USOCs that are subject to the FCC UNE Relief Order; however, this Agreement may also contain additional and/or older element descriptions and USOCs that are also Digital Loops subject to the FCC UNE Relief Order.
  - a. To the extent Comcast fails to adhere to the above, at AT&T’s sole discretion, AT&T may take one or more of the following actions for any remaining Digital Loops and Comcast will be responsible for all recurring and non-recurring charges:
    - i. convert to a digital arrangement available under a separate commercial agreement executed by the Parties, or
    - ii. convert to AT&T tariff or guidebook services (in which case month-to-month rates, terms and conditions shall apply), or
    - iii. reprice by application of a new rate (or by application of a surcharge to an existing rate); or
    - iv. disconnect.
  - b. AT&T reserves the right to backbill Comcast for the difference between the Digital Loop rate and the non-UNE rate that applies under Section 4(a) for any new Digital Loops inadvertently ordered or after February 8, 2023, and any Digital Loop Embedded Base remaining as of February 8, 2025.
  - c. AT&T’s election to reprice the Digital Loop shall not preclude AT&T from later converting the Digital Loop to a Digital arrangement available under a separate commercial agreement or an AT&T tariff or guidebook service.
  - d. AT&T reserves the right to raise its rates by up to 25% as of February 08, 2024 and may elect to increase rates to market rates after February 08, 2025, when the grandfathering period expires. AT&T shall provide Notice to CLEC of how the Parties will implement the subsequent rate changes.
5. As of February 8, 2023, Comcast may no longer order new DS1 UNE Loops (“DS1 Loops”) pursuant to this Agreement in Wire Centers in counties deemed to be competitive in the BDS proceeding as listed in the AT&T Guidebook, which may change from time to time. Any existing DS1 Loops ordered on or before February 8, 2023 (“DS1 Loop Embedded Base”) are grandfathered until July 8, 2024 pursuant to the rates, terms and conditions of the Agreement. Comcast shall convert the DS1 Loop Embedded Base to an alternate arrangement, or disconnect such DS1 Loop on or before July 8, 2024. Exhibit A to this Amendment contains DS1 Loop element descriptions and USOCs that are subject to the FCC UNE Relief Order; however, this Agreement may also contain additional and/or older element descriptions and USOCs that are also DS1 Loops subject to the FCC UNE Forbearance Order.
  - a. To the extent Comcast fails to adhere to the above, at AT&T’s sole discretion, AT&T may take one or more of the following actions for any remaining DS1 Loops and Comcast will be responsible for all recurring and non-recurring charges:
    - i. convert to AT&T tariff or guidebook services (in which case month-to-month rates, terms and conditions shall apply), or
    - ii. following advance notice to Comcast, reprice by application of a new rate (or by application of a surcharge to an existing rate); or
    - iii. following advance notice to Comcast, disconnect.
  - b. AT&T reserves the right to backbill Comcast for the difference between the DS1 Loop rate and the non-UNE rate that applies under Section 5(a) for any new DS1 Loops inadvertently ordered on or after February 8, 2023, and any DS1 Loop Embedded Base remaining as of July 8, 2024.

- c. AT&T's election to reprice the DS1 Loop shall not preclude AT&T from later converting the DS1 Loop to a DS1 arrangement available under a separate AT&T Tariff or guidebook service.
6. As of February 8, 2021, Comcast may no longer order new DS3 UNE Loops ("DS3 Loops") pursuant to this Agreement in Wire Centers in counties deemed to be competitive in the BDS proceeding as listed in the AT&T Guidebook, which may change time to time. Any existing DS3 Loops ordered on or before February 8, 2021 ("DS3 Loop Embedded Base") are grandfathered until February 8, 2024 pursuant to the rates, terms and conditions of the Agreement. Comcast shall convert the DS3 Loop Embedded Base to an alternate arrangement, or disconnect such DS3 Loop on or before February 8, 2024. Exhibit A to this Amendment contains DS3 Loop element descriptions and USOCs that are subject to the FCC UNE Relief Order, however this Agreement may also contain additional and/or older element descriptions and USOCs that are also DS3 Loops subject to the FCC UNE Forbearance Order.
  - a. To the extent Comcast fails to adhere to the above, at AT&T's sole discretion, AT&T may take one or more of the following actions for any remaining DS3 Loops and Comcast will be responsible for all recurring and non-recurring charges:
    - i. convert to AT&T tariff or guidebook services (in which case month-to-month rates, terms and conditions shall apply), or
    - ii. reprice by application of a new rate (or by application of a surcharge to an existing rate); or
    - iii. disconnect.
  - b. AT&T reserves the right to backbill Comcast for the difference between the DS3 Loop rate and the non-UNE rate that applies under Section 6(a) for any new DS3 Loops inadvertently ordered on or after February 8, 2021, and any DS3 Loop Embedded Base remaining as of February 8, 2024.
  - c. AT&T's election to reprice DS3 Loop shall not preclude AT&T from later converting the DS3 Loops to a DS3 arrangement available under a separate AT&T tariff or guidebook service.
7. As of February 8, 2021, Comcast may no longer order new UNE Dark Fiber Transport ("DFT") pursuant to this Agreement where the dark fiber transport is connected to a Tier 3 wire center located within ½ mile of competitive fiber as described in the FCC UNE Relief Order and designated by the FCC. Any existing UNE Dark Fiber Transport facility ordered before February 8, 2021 ("Dark Fiber Transport Embedded Base") is grandfathered until February 8, 2029 pursuant to the rates, terms and conditions of the Agreement. Comcast shall convert the UNE Dark Fiber Transport Embedded Base to an alternate arrangement, or disconnect such UNE Dark Fiber Transport on or before February 8, 2029. Exhibit A to this Amendment contains UNE Dark Fiber Transport element descriptions and USOCs that are subject to the FCC UNE Relief Order; however, this Agreement may also contain additional and/or older element descriptions and USOCs that are also UNE Dark Fiber Transport subject to the FCC UNE Relief Order. If the FCC determines that additional wire centers are subject to forbearance, Comcast shall cease ordering DFT as of the date specified by the FCC and adhere to any FCC-specified transition timelines.
  - a. To the extent Comcast fails to adhere to the above, at AT&T's sole discretion, AT&T may take one or more of the following actions for any remaining UNE Dark Fiber Transport and Comcast will be responsible for all recurring and non-recurring charges:
    - i. convert to AT&T tariff or guidebook services (in which case month-to-month rates, terms and conditions shall apply), or
    - ii. reprice by application of a new rate (or by application of a surcharge to an existing rate); or
    - iii. disconnect.
  - b. AT&T reserves the right to backbill Comcast for the difference between an UNE Dark Fiber Transport rate and the non-UNE rate that applies under this Section 7(a) for any new UNE Dark Fiber Transport inadvertently ordered on or after February 8, 2021, and any UNE Dark Fiber Transport Embedded Base remaining as of February 8, 2029.
  - c. AT&T's election to reprice the UNE Dark Fiber Transport shall not preclude AT&T from later converting the UNE Dark Fiber Transport to a DFT arrangement available under a separate AT&T tariff or guidebook service.

8. As of February 8, 2021, Comcast may no longer order new UNE Subloops or UNE Network Interface Devices (NIDs) pursuant to this Agreement.
9. As of February 8, 2021, CLEC may no longer convert existing Special Access circuits (as defined, ordered, and provisioned in AT&T ILEC's interstate and/or intrastate tariffs) to UNEs.
10. If there are fifty (50) or more Unbundled Loops in its embedded customer base that it plans to migrate to an alternate product or service, Comcast shall provide a forecast of the total number and shall work with AT&T to establish mutually agreed to daily order volume parameters and make a reasonable effort to affect a timely and orderly migration by the end of the transition period.
11. Intentionally left blank.
12. In entering into this Amendment, neither Party waives, and each Party expressly reserves, any rights, remedies or arguments it may have at law or under the intervening law or regulatory change provisions in the underlying Agreement (including intervening law rights asserted by either Party via written notice predating this Amendment) with respect to any orders, decisions, legislation or proceedings and any remands thereof, which the Parties have not yet fully incorporated into this Agreement or which may be the subject of further review.
13. This Amendment shall not modify or extend the Effective Date or Term of the underlying Agreement, but rather, shall be coterminous with such Agreement.
14. EXCEPT AS MODIFIED HEREIN, ALL OTHER TERMS AND CONDITIONS OF THE UNDERLYING AGREEMENT SHALL REMAIN UNCHANGED AND IN FULL FORCE AND EFFECT.
15. Signatures by all Parties to this Amendment are required to effectuate this Amendment. This Amendment may be executed in counterparts. Each counterpart shall be considered an original and such counterpart shall together constitute one and the same instrument.
16. For Alabama, Florida, Georgia, Illinois, Indiana, Kansas, Kentucky, Louisiana, Michigan, Mississippi, Missouri, South Carolina, Tennessee, Texas: This Amendment shall be filed with and is subject to approval by the applicable state Commission and shall become effective ten (10) days following approval by such Commission. For Arkansas: This Amendment shall be filed with the Arkansas Public Service Commission and shall become effective upon filing. For Ohio: Based on the Public Utilities Commission of Ohio Rules, the Amendment is effective upon filing and is deemed approved by operation of law on the 91st day after filing. For California: Pursuant to Resolution ALJ 257, this filing will become effective, absent rejection of the Advice Letter by the Commission, upon thirty (30) days after the filing date of the Advice Letter to which this Amendment is appended.
