PENALTY ORDER

The above captioned matter comes before the State Corporation Commission of the State of Kansas. Having examined the files and records, and being duly advised in the premises, the Commission finds and concludes as follows:

I. JURISDICTION

1. K.S.A. 55-152 provides that the Commission has jurisdiction to regulate the construction, operation, and abandonment of any well and the protection of the usable water of this state from any actual or potential pollution from any well.

2. K.S.A. 74-623 provides that the Commission has the exclusive jurisdiction and authority to regulate oil and gas activities.

3. K.S.A. 55-162 and K.S.A. 55-164 provide the Commission with authority to issue a Penalty Order regarding a violation of Chapter 55 of the Kansas Statutes Annotated, or of any rule, regulation, or order of the Commission. A Penalty Order may include a monetary penalty of up to \$10,000; each day of a continuing violation constitutes a separate violation.

4. K.A.R. 82-3-400 provides that the failure to obtain a permit from the Conservation Division before beginning injection operations shall be punishable by a penalty of \$1,000 for the first violation, \$5,000 for the second violation, and \$10,000 and a license review

for the third violation. In addition, each injection well found to be operating without a permit shall be shut-in until compliance is achieved.

II. FINDINGS OF FACT

5. Operator is currently licensed to conduct oil and gas activities in Kansas under K.S.A. 55-155, and operates under license number 4441.

6. Operator is responsible for the care and control of the Slaven #WI-3 ("the subject well"), API #15-059-25122-00-00, located in the Southwest Quarter of Section 19, Township 16 South, Range 21 East, Franklin County, Kansas.

7. Sometime before July 9, 2013, the Operator submitted a well inventory indicating the subject well was being used for injection without a permit.

8. On July 9, 2013, Commission District #3 Staff inspected the subject well and found it to be in use as an injection well. Upon request, the Operator disconnected the well pending approval of an injection permit.

III. CONCLUSIONS OF LAW

9. The Commission finds it has jurisdiction over the Operator and this matter under K.S.A. 55-152 and K.S.A. 74-623.

10. The above findings of fact are sufficient evidence to support that the Operator committed one violation of K.A.R. 82-3-400 because the operator injected into the subject well without having first obtained a permit.

THEREFORE, THE COMMISSION ORDERS:

- A. The Operator is hereby assessed a \$1,000 penalty, payable within 30 days.
- B. The Operator shall, within 30 days, submit application for authority to inject into the subject well. The Operator shall proceed diligently with the application until fully processed.

The well shall not be used for injection purposes until such time as it is approved. As an alternative, the Operator may plug the subject well to obtain compliance.

C. Pursuant to K.S.A. 55-164, K.S.A. 77-537, and K.S.A. 77-542, any party may request a hearing on the above issues by submitting a written request, setting forth the specific grounds upon which relief is sought, to the Commission's Executive Director, at 130 S. Market, Room 2078, Wichita, Kansas 67202, within 30 days from the date of service of this Penalty Order. If service is by mail, three days will be added to the Mailed Date listed at the end of this Penalty Order. Hearings will be scheduled only upon written request. Failure to timely request a hearing will result in a waiver of the Operator's right to a hearing.

D. Attorneys for all parties shall enter their appearances in Commission proceedings by giving their names and addresses for the record. A corporation or similar entity shall not be permitted to enter an appearance except by its attorney.

E. If you do not request a hearing, the payment of the monetary penalty is due within 30 days from the date of service of this Order. Checks and Money Orders shall be payable to the Kansas Corporation Commission. For credit card payments, include the type of card (Visa, MasterCard, Discover, or American Express), account number and expiration date. Payments shall be mailed to the Kansas Corporation Commission at 130 S. Market, Wichita, Kansas 67202. The payment shall include a reference to the docket number of this proceeding.

F. The failure to comply with this Order within 30 days shall be punishable by license suspension without the need for an additional Order to be issued by the Commission. The notice and opportunity for a hearing on this order shall constitute the notice required by K.S.A. 77-512 regarding license suspension. In addition, the Commission may impose further

sanctions, including additional monetary penalties and any other remedies available to the Commission by law, without further notice.

G. The Commission retains jurisdiction over the subject matter and the parties for the purpose of entering such further order or orders as it may deem necessary.

BY THE COMMISSION IT IS SO ORDERED.
