In the Matter of the Complaint Against Kansas City Power & Light Company by Arthur J. Chartrand.

Docket No. 17-KCPE-433-COM

REQUEST FOR HEARING

Arthur J. Chartrand, a Kansas resident and attorney on behalf of himself and pro bono on behalf of the people of the State of Kansas hereby submits this REQUEST FOR AN IN PERSON, ORAL HEARING **in this matter. In support, we assert as follows:**

- On April 20, 2018, KCP&L and staff from the KCC orchestrated a virtual parade at the subject property. An intimidating atmosphere was created suggesting KCP&L planned retribution for the complaint filed.
- 2. KCC staff were totally unaware of the background of this matter and stated the case was about a "code violation."
- 3. The KCC Commission needs to fully understand what the underlying facts and issues which can only be effectively fully explored in an open and public hearing.
- 4. The petitioner has only sought a solution in the best interest of KCP&L and Kansas consumers far beyond the instant case and has proposed specific and constructive solutions. These have thus far met with zero or negative response not only from KCP&L, but from KCC staff.
- 5. A hearing was requested by prior filing on March 30, 2018.

WHEREFORE, an oral in person hearing is justified and worthy of the KCC's time and resources. Respectfully submitted,

lue Real
