MOTION TO CLOSE DOCKET

On September 21, 2016, S & B Operating LLC ("Operator") was issued a Notice of Denial of License Renewal Application, which Operator timely appealed. After conducting informal discovery, Staff no longer wishes to contest Operator's license renewal application. Staff has processed the application, and Operator's license has been renewed. Since this matter has now been resolved, Staff asks for the docket to be closed. Staff has conversed with Operator, which is not opposed to Staff's motion.

Respectfully submitted,
