MOTION TO CANCEL PREHEARING CONFERENCE AND CLOSE DOCKET

On October 20, 2016, Staff filed a motion requesting that an order to show cause be issued against Operator, based upon Commission records indicating that an unplugged well remained on Operator's expired license. On January 19, 2017, the Commission issued an order to show cause, setting a February 9, 2017, prehearing conference.

Staff has recently determined that the well in question has been plugged. Since the compliance issue has been resolved, Staff asks that the prehearing conference be cancelled and that the docket be closed.

Respectfully submitted,
