PENALTY ORDER

The above captioned matter comes before the State Corporation Commission of the State of Kansas. Having examined the files and records, and being duly advised in the premises, the Commission finds and concludes as follows:

I. JURISDICTION

1. K.S.A. 74-623 provides that the Commission has the exclusive jurisdiction and authority to regulate oil and gas activities. K.S.A. 55-152 provides that the Commission has jurisdiction to regulate the construction, operation, and abandonment of any well and the protection of the usable water of this state from any actual or potential pollution from any well. The Commission has licensing authority pursuant to K.S.A. 55-155.

2. K.S.A. 55-162 and K.S.A. 55-164 provide the Commission with authority to issue a Penalty Order regarding a violation of Chapter 55 of the Kansas Statutes Annotated, or of any rule, regulation, or order of the Commission. A Penalty Order may include a monetary penalty of up to \$10,000; each day of a continuing violation constitutes a separate violation.

3. K.A.R. 82-3-107 and K.A.R. 82-3-130 require that an operator submit a well completion report and all associated documentation. The forms and documents are required to be

submitted within 120 days of the spud date of each well, and the failure to submit the forms and documents is punishable by a \$500 penalty.

II. FINDINGS OF FACT

4. Operator conducts oil and gas activities in Kansas under license number 31171.
5. Operator is responsible for the care and control of the following wells, all located in Rooks County, Kansas ("the subject wells"):
 - a. Dryden A #1, API #15-163-01313-00-01, located in Section 8, Township 7 South, Range 19 West; and
 - b. Jerome #1, API #15-163-20298-00-01, located in Section 18, Township 9 South, Range 19 West.
6. Operator submitted a Notice of Intent to Drill ("C-1") for each of the subject wells and informed District Staff that the wells had been spudded.
7. Operator did not submit the well completion reports and associated documents within 120 days of the reported spud dates.
8. Production Staff sent a Notice of Violation letter to Operator for each of the subject wells, requiring Operator to bring the subject wells into compliance with K.A.R. 82-3-107 and K.A.R. 82-3-130 by a deadline.
9. Production Staff did not receive complete, accurate well completion reports, with the associated documents, for any of the wells by the deadlines in each letter.
10. Production Staff collected evidence and submitted it to the Legal Department with a recommendation that the Commission issue this Order. The recommendation sheets submitted by Production Staff are attached to this Order as Exhibit A, incorporated into this Order, and shall serve as the concise and explicit statement of facts required by K.S.A. 77-526.

III. CONCLUSIONS OF LAW

11. The Commission concludes that it has jurisdiction over the Operator and this matter under K.S.A. 55-152 and K.S.A. 74-623.

12. The above findings of fact are sufficient evidence to support the conclusion that Operator committed two violations of K.A.R. 82-3-107 and K.A.R. 82-3-130 because Operator did not submit complete, accurate well completion reports, with the associated documents, within 120 days of the respective spud dates of each of the subject wells.

THEREFORE, THE COMMISSION ORDERS:

- A. Operator shall pay a \$1,000 penalty.
- B. Operator shall submit complete, accurate well completion reports and associated documents for each of the subject wells.
- C. If no party requests a hearing, and Operator is not in compliance with this Order within 30 days, then Operator's license shall be suspended without further notice. The notice and opportunity for a hearing on this order shall constitute the notice required by K.S.A. 77-512 regarding license suspension. The Commission may impose further sanctions, including additional monetary penalties and any other remedies available to the Commission by law, without further notice.
- D. Checks and money orders shall be payable to the Kansas Corporation Commission. For credit card payments, include the type of card (Visa, MasterCard, Discover, or American Express), account number, and expiration date. Payments shall be mailed to the Kansas Corporation Commission at 266 N. Main St., Suite 220, Wichita, Kansas 67202. The payment must include a reference to the docket number of this proceeding.

E. Any party may request a hearing on the above issues by submitting a written request, pursuant to K.S.A. 55-164, K.S.A. 77-537, and K.S.A. 77-542, setting forth the specific grounds upon which relief is sought, to the Commission's Executive Director, at 266 N. Main St., Suite 220, Wichita, Kansas 67202, within 30 days from the date of service of this Order. Hearings will be scheduled only upon written request. Failure to timely request a hearing will result in a waiver of Operator's right to a hearing.

F. If a party requests a hearing, a corporation or similar entity shall not be permitted to enter an appearance except by its attorney. Attorneys for all parties shall enter their appearances in Commission proceedings by giving their names and addresses for the record.

G. The Commission retains jurisdiction over the subject matter and the parties for the purpose of entering such further order or orders as it may deem necessary.

BY THE COMMISSION IT IS SO ORDERED.
