**THE STATE CORPORATION COMMISSION
OF THE STATE OF KANSAS**

Before Commissioners: Pat Apple, Chairman
Shari Feist Albrecht
Jay Scott Emler

In the Matter of the Failure of MEM Partnership) Docket No. 17-CONS-3398-CPEN
LP, a General Partnership (Operator) to comply)
with K.A.R. 82-3-111 at the Cooley #1 in Graham) CONSERVATION DIVISION
County, Kansas.) License No. 3809

**PETITION TO DENY OPERATION OF COOLEY #1
IN GRAHAM COUNTY, KANSAS**

The Commission has stated in an Order dated August 17, 2017 that Operator's license of 28 years will be suspended. This suspension may occur without an independence Hearing with the above Commissioners. The Commission's action will eliminate Operator's livelihood without the normal substantial evidentiary requirements that a Hearing would require.

Operator has filed Motions regarding the license cancelation on the following dates: 8/24/2017, 8/28/2017, 8/31/2017, 9/13/2017, 9/15/2017 and today date of 09/22/2017 claiming no responsibility for the operation of the above said well and denying "Default" on the above Order.

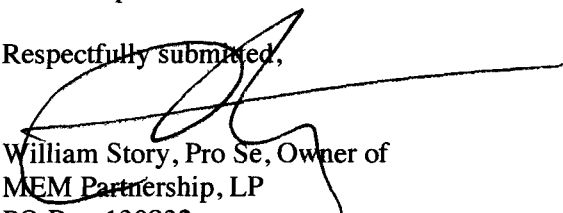

Please be advised the Operator has never operated or tampered with the Cooley #1 well since the well was drilled in the 1950's.

Operator has respectfully and repeatedly requested a Hearing on this Docket since January 9, 2017, without success, which would prove or invalidate Commission's allegations.

WHEREFORE, Operator respectfully requests that Operator's license shall not be suspended in Commission's Order dated August 17, 2017 and this Order declared null and void.

Dated: September 22, 2017, with original and 7 copies sent to KCC in Wichita, KS.

Respectfully submitted,

William Story, Pro Se, Owner of
