Re: Quarterly Compliance Filing  
Docket No. **24-SAGT-326-ETC**

Dear Staff,

Pursuant to Order issued April 29, 2025, in the above referenced docket, Ordering Paragraph No. F., Sage Telecom Communications, LLC dba TruConnect ("TruConnect" or the "Company") hereby submits its second quarterly information update on the status of Sage's intended transfer of customers to TruConnect Communications, Inc. ("TruConnect").

- (a) Since our last report TruConnect has received ETC designation in Idaho on August 22, 2025. We are still awaiting the final designation in Pennsylvania before the companies can work with the FCC and USAC regarding transferring customers from the Sage SAC to the TruConnect SAC.
- (b) No USAC guidelines have been set pending item (a). The Company will provide confirmation that Sage and TruConnect are following guidelines set forth by USAC. The USAC guidelines refer to any guidelines set in place for transferring Sage customers to TruConnect.
- (c) There is nothing to report on the status of the Sage ETC designation after Sage's customers are transferred to TruConnect, including any estimated date of such determination.

If you have any questions regarding this filing, please direct them to my attention at [regulatoryaffairs@truconnect.com](mailto:regulatoryaffairs@truconnect.com) or 972-523-1729.

Respectfully submitted,
