MOTION FOR CONTINUANCE

Staff requests that the hearing in this docket, currently scheduled for January 15, 2015, be continued to February 19, 2015, with the deadlines for pre-filed testimony and discovery adjusted accordingly. Staff's pre-filed testimony is currently due December 15, 2014, but Staff believes that a continuance will probably avoid the need for a hearing entirely.

Staff Litigation Counsel has conferred with the other parties, who were not opposed to a continuance, although the specific date was not discussed with all parties.

Respectfully submitted,
