Docket No. 09-SWBT-434-PDR

APPLICATION OF SOUTHWESTERN BELL TELEPHONE COMPANY FOR PRICE DEREGULATION OF RESIDENTIAL TELECOMMUNICATION SERVICES IN THE HUMBOLDT, KANSAS EXCHANGE AND BUSINESS TELECOMMUNICATION SERVICES IN THE SENECA, GREAT BEND, IOLA, LYONS, PITTSBURG AND WINFIELD, KANSAS EXCHANGES AND REQUEST FOR PROTECTIVE ORDER

COMES NOW Southwestern Bell Telephone Company ("SWBT") d/b/a AT&T Kansas, pursuant to K.S.A. 2007 Supp. 66-2005(q)(1)(C) and (D), and hereby submits its Application for price deregulation of residential telecommunication services in the Humboldt, Kansas exchange and business telecommunication services in the Seneca, Great Bend, Iola, Lyons, Pittsburg and Winfield, Kansas exchanges. In support of its Application, SWBT shows the Commission as follows:

1. SWBT is an incumbent local exchange carrier authorized by the Commission to do business and to engage in the provisioning of telecommunications and other switched access local exchange services to the public in the state of Kansas and, specifically, the Humboldt, Seneca, Great Bend, Iola, Lyons, Pittsburg and Winfield, Kansas exchanges.

2. Pursuant to K.S.A. 2007 Supp. 66-2005(q)(1)(C) and (D), in any Kansas exchange in which there are fewer than 75,000 local exchange access lines served by

all providers, the Commission shall price deregulate all business and residential telecommunication services upon a demonstration by SWBT that there are two or more nonaffiliated telecommunications carriers or other entities, that are nonaffiliated with SWBT, providing local telecommunications service to business and residential customers, regardless of whether the entity provides local service in conjunction with other services in that exchange area. One of such nonaffiliated carriers or entities shall be required to be a facilities-based carrier or entity and not more than one of such nonaffiliated carriers or entities shall be a provider of commercial mobile radio services (“CMRS”) in that exchange.¹ K.S.A. 2007 Supp. 66-2005(q)(1)(C), (D).

Request for Price Deregulation

3. SWBT's Humboldt, Seneca, Great Bend, Iola, Lyons, Pittsburg and Winfield, Kansas exchanges each have fewer than 75,000 local exchange access lines respectively.²

4. SWBT's Humboldt, Kansas exchange has two or more nonaffiliated telecommunications carriers or other entities that are nonaffiliated with SWBT, providing local telecommunications service to residential customers in the exchange. Further, at least one of the nonaffiliated carriers serving residence customers is a facilities-based carrier or entity that is not a CMRS provider.³

³ SWBT Proprietary and Confidential Attachment 1 – Humboldt Exchange Demographic. See *also* SWBT Attachment 8 – Documented Service Offerings by Nonaffiliated Telecommunications Carriers or Entities.

5. SWBT's Seneca, Great Bend, Iola, Lyons, Pittsburg and Winfield, Kansas exchanges each, respectively, have two or more nonaffiliated telecommunications carriers or other entities that are nonaffiliated with SWBT, providing local telecommunication services to business customers in the exchanges. In each exchange, at least one of the nonaffiliated carriers serving business customers is a facilities-based carrier or entity that is not a CMRS provider.⁴

6. Sufficient evidence exists, as presented through SWBT's Application and attachments, affirmatively demonstrating and satisfying the statutory competition standards for price deregulation of residential telecommunication services in the Humboldt, Kansas exchange; and, business telecommunication services in the Seneca, Great Bend, Iola, Lyons, Pittsburg and Winfield, Kansas exchanges. SWBT believes the Commission properly can and should determine the respective telecommunication services addressed in this Application in the Humboldt, Seneca, Great Bend, Iola, Lyons, Pittsburg and Winfield, Kansas exchanges are price deregulated.⁵

7. Pursuant to K.S.A. 2007 Supp. 66-2005(q)(4), the Commission shall act upon a petition for price deregulation filed pursuant to K.S.A. 2007 Supp. 66-2005(q)(1)(C) and (D) within 21 days of filing, subject to an extension period of an additional 30 days upon a good cause showing by the Commission in any order

extending the initial time frame. SWBT requests approval of this Application within the statutorily provided time frame.

8. SWBT requests the Commission's approval of the Application find that price deregulation of the subject services shall become effective upon SWBT's filing of tariff provisions noting the deregulated status of services in the Humboldt, Seneca, Great Bend, Iola, Lyons, Pittsburg and Winfield, Kansas exchanges.

9. In the unlikely event the Commission concludes that not all of the statutory requirements for the deregulation of either the residential or business telecommunication services has been met in one or more of the subject exchanges, SWBT requests the Commission treat the application as severable and grant SWBT's request as to those remaining exchanges or types of service in the cited exchanges for which price deregulation is sought that satisfy the statutory standards of K.S.A. 2007 Supp. 66-2005(q)(1)(C) and (D).

Request for Protective Order

10. Certain of the exhibits being filed as part of SWBT's Application herein contain carrier specific data that SWBT considers to be proprietary and confidential. Said exhibits are being filed as proprietary and confidential information pursuant to the provisions of K.S.A. 66-1220a pending the issuance of a protective order by the Commission in this proceeding. Accordingly, SWBT requests the Commission issue a Protective Order in this proceeding to protect the proprietary and confidential nature of the information contained in SWBT's exhibits.

Notice of Application Filing

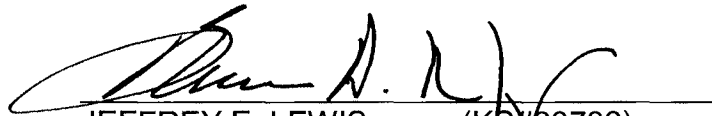

11. Pursuant to the Commission's August 31, 2007 Order in Docket No. 08-SWBT-173-PDR, SWBT has served a redacted version of its Application in the above

captioned proceeding on those "competing carriers" named in the Application at the addresses shown on the Application's Certificate of Service.⁶

WHEREFORE, SWBT respectfully requests an Order of the Commission, pursuant to K.S.A. 2007 Supp. 66-2005(q)(1)(C) and (D), granting and approving its Application in this proceeding and price deregulating all residential telecommunication services in the Humboldt, Kansas exchange, and all business telecommunication services in the Seneca, Great Bend, Iola, Lyons, Pittsburg and Winfield, Kansas exchanges, effective upon SWBT's filing of tariff provisions noting the deregulated status of services in the subject exchanges.

FURTHER, SWBT requests the Commission issue a Protective Order in this proceeding.

Respectfully submitted,
