

**THE STATE CORPORATION COMMISSION
OF THE STATE OF KANSAS**

Before Commissioners: Pat Apple, Chairman
 Shari Feist Albrecht
 Jay Scott Emler

In the matter of the Notice of Denial of License)	Docket No.: 17-CONS-3673-CMSC
Renewal Application to Jones Gas Corporation.)	
)	CONSERVATION DIVISION
)	
_____)	License No.: 32654

PRE-FILED REBUTTAL TESTIMONY

OF

CYNTHIA K. MAINE

1 Q. What is your name?

2 A. Cynthia K. Maine.

3 Q. Are you the same Cynthia K. Maine who submitted direct testimony in this matter?

4 A. Yes.

5 Q. Have you reviewed the testimony filed on behalf of Jones Gas Corporation?

6 A. Yes.

7 Q. Mr. Jones's testimony, page 5 lines 8-11, refers to a May 24, 2017, letter that referenced
8 Metro Energy Group. Is Metro Energy Group at issue in this docket?

9 A. No. In my direct testimony, when I stated I reviewed correspondence sent by KCC legal
10 staff to Jones Gas Corporation, that was the correspondence I reviewed, the Notice of
11 Denial of License Renewal Application. The reference to Metro Energy Group was a
12 clerical error; the issue is Mr. Jones's association with Stroud Oil Properties, which is
13 also referenced in the Notice of Denial of License Renewal Application.

14 Q. Mr. Jones's testimony, Page 2, Lines 4-7, and Page 3, Lines 7-20, references a Gaier #1
15 well. Is that well at issue in this docket?

16 A. No. The issue in this docket is that Mr. Jones is president of Jones Gas Corporation, and
17 was also president of Stroud Oil Properties, License #30084, and that Stroud's license is
18 suspended per Docket 16-CONS-420-CSHO. At this point, the only reason Stroud's
19 license is suspended is that one unplugged well remains on the license, the Gaier #2.

20 Q. How did you determine that only one unplugged well remains on Stroud's license?

21 A. In my pre-filed testimony, I stated that I reviewed well inventories for Stroud. What that
22 means is I reviewed the well inventory as it stood in Docket 16-CONS-420-CSHO, and
23 compared it to what currently remains on the license. That is how I know only one
24 unplugged well remains, and that the others have been resolved.

25 Q. Mr. Jones's testimony, Page 4, Lines 11-15, state that Mr. Jones was not involved as a
26 resident agent for Stroud Oil Properties after June 2000. Is that assertion correct?

27 A. No. I have attached a screenshot of the Kansas Secretary of State's website, which shows
28 Stroud's last annual report was filed in December 1999, the entity was forfeit in July
29 2001, and that Mr. Jones remains the registered agent (Exhibit C).

- 1 Q. Mr. Jones's testimony, Page 3, Lines 7-12, references a Transfer of Operation (T-1) Form
2 for the Gaier #1. Does that T-1 Form indicate the suspension of Stroud's license is based
3 upon a Staff clerical error?
- 4 A. Not at all. First, the Gaier #1 is not at issue in this proceeding. Second, as indicated on
5 the T-1 Form, Ralph Gaier and Letty Gaier did not have an operator's license, and
6 Commission records indicate they never obtained one. Standard Commission practice
7 back in 1992 when the form was received was the same as it is today. Staff would have
8 returned the form as unable to be processed, because of the lack of license.
- 9 Q. Does this conclude your rebuttal testimony as of this date, October 4, 2017?
- 10 A. Yes.
