BEFORE THE STATE CORPORATION COMMISSION OF THE STATE OF KANSAS
NOTICE OF FILING APPLICATION

Grand Mesa Operating Company, License #9855- Application for an Enhanced Recovery Well to authorize the injection of produced and supply well water into the Squirrel Sand zone on the Vesecky #1-91 well, located in Douglas County, Kansas.

To All Oil & Gas Producers, Unleased Mineral Interest Owners, Landowners and all persons whomever concerned.

You, and each of you, are hereby notified that Grand Mesa Operating Company - has filed an application to commence the input of produced and supply well water into the Squirrel Sand formation at the Vesecky #1-91 well, located 170 feet from the north section line and 2470 feet from the west section line in the NE NE NE NW of Section 23, Township 14 South, Range 20 East, Douglas County, Kansas, with a maximum operating pressure of 525 psi and a maximum injection rate of 100 barrels per day.

Any persons who object to or protest this application shall be required to file their objections or protests with the Conservation Division of the State Corporation Commission of the State of Kansas within thirty (30) days from the date of this publi-

cation. These protests shall be filed pursuant to Commission regulations and must state specific reasons why this application should not be granted. If no protests are received, this application may be granted through a summary proceeding. If valid protests are received, this matter will be set for hearing.

All persons interested or concerned shall take notice of the foregoing and shall govern themselves accordingly.
