RE: Docket No. 25-GIMT-332-GIT- Wisper ISP, LLC – Annual Certification of Requirements- PUBLIC VERSION

Dear Secretary:

The Kansas Corporation Commission designated Wisper ISP, LLC (“Wisper”) an Eligible Telecommunications Carrier (“ETC”) for the purpose of providing services supported by the FCC’s Connect America Fund Phase II.

In compliance with FCC and Kansas Commission ETC annual reporting requirements, Wisper is required to file their Annual Certification of Requirements imposed by the Commission in Docket Number 06-GIMT-446-GIT. Please find attached a copy of the certification.

In this filing, Attachments 3 and 4 have been marked confidential; this information is confidential information and, as such, its disclosure to any person other than the company, the Commission, and Staff is prohibited by K.S.A. 66-1220a. The Commission has not issued a protective order in this docket.

Please do not hesitate to contact me if you have questions or concerns.

Respectfully submitted,

/s/ Mark Lammert

Section 610 – Emergency Functionality

WisperISP, Inc.

Wisper will provision service with sufficient back-up power to remain functional without an external power source in emergency situations. Wisper is able to re-route traffic around damaged facilities and will be able to manage traffic spikes resulting from emergency situations. Wisper uses battery back-up power in the field and battery backup power at its NOC for wireless internet service.

Wisper's VoIP service requires an Internet Protocol (IP) connection to the Company's network or public Internet and 120VAC power to function. In the event of a failure of the IP connection or the local AC power, the service, including the E911 feature, will not function. Upon activation of a customer, Wisper will provide the customer with a notification containing clear instructions on the use of emergency services. Wisper's VoIP service is not specifically used as a nomadic device. Customers can, through mobile applications, move the device to different locations. The end users registered service address is the only location at which the subscriber is authorized to use the service. The service will work if the device is moved to another location within the US and connected to a public internet connection; however, this is only authorized when the subscriber updates their service address prior to using the service at the new location by calling the Company's customer service department.

When service is initially provisioned, and any time the subscriber's service address is updated, the service location is automatically transmitted to a third party E911 provider who geocodes the address, associates it with a local Public Safety Answering Point (PSAP), provides an electronic positive affirmation that the address was properly geocoded, and stores the record on our behalf. When a subscriber dials 911, the call is routed to the third party 911 provider and then from there to the local PSAP. The location information is transmitted in the call signaling to the local PSAP, and is visible to the operator in E911 enabled PSAPs.

Lifeline

The Lifeline Service Program ("Lifeline") is a federally funded program, administered by the Universal Service Administration Company (USAC), established to provide monthly assistance to low-income households. The program is available to qualified low-income consumers and provides a discount on the qualified customer's monthly broadband service.

To participate in the program, customers must either have an income that is at or below 135% of the federal Poverty Guidelines or participate in certain assistance programs. You can see if you are eligible with the Lifeline Eligibility Pre-Screening Tool on the USAC maintained website at www.lifelinesupport.org.

1) Lifeline Program

- a) Qualified Wisper customers may receive a Lifeline discount on their broadband service, or as part of a bundled voice and broadband package. Terms and conditions of service are located in our Master Services Agreement. Once an application has been processed and accepted, a qualified Lifeline customer will have the Lifeline subsidy applied to their selected service.
- b) The Federal credit amount provided to qualified Lifeline subscribers will be the maximum amount authorized by the FCC.
- c) FCC rules prohibit more than one Lifeline service per household. The definition of a "household" is anyone living at an address (including children, relatives, people not related to the account holder, etc.) who share income(s) and household expenses. A household is not permitted to receive lifeline benefits from multiple providers.

2) Eligibility

To qualify for Lifeline service, a subscriber must meet certain state and federal eligibility requirements. These requirements are determined by the state in which the customer resides. These state and federal eligibility requirements include program-based eligibility or income-based eligibility.

- a) Program Based Eligibility. To be eligible for Lifeline services, individuals or families must provide to USAC a card, letter, or official document as proof that they participate in and receive benefits under one of the following public assistance programs:
 - i) Medicaid

(800) 765-7772 • WisperISP.com

- ii) Supplemental Nutrition Assistance Program (Food Stamps or SNAP)
- iii) Supplemental Security Income
- iv) Federal Public Housing Assistance (FPHA/Section 8)
- b) Income Based Eligibility. Consumers may also qualify for Lifeline services under the income-based eligibility criteria if their total combined household income is at or below 135% of Federal Poverty Guidelines.

3) Application

Customers can apply for the Wisper Lifeline program by first completing and submitting an application available at www.lifelinesupport.org. Customers must provide the supporting documentation that they meet the eligibility requirements; and certifying, under penalty of perjury, that they:

- a) Are eligible for and currently receive benefits from the public assistance program(s) identified in the application form, or that they have income at or below the designated poverty level.
- b) Do not currently receive Lifeline support serving their household and no other resident in their household participates in the Lifeline program.
- c) Have reviewed the information contained in their application and it is true and correct to the best of their knowledge and belief, and that they understand that providing false or fraudulent information to obtain Lifeline benefits is punishable by law.
- d) If a subscriber is applying based on state or federal program-based eligibility, they will be required to provide a copy of a document or program card showing proof of their participation in the qualifying program (Section 2(a). Program Based Eligibility). This document or card must include the participant's name, address, program name and effective date of the award. For example, if you are eligible for the Lifeline program because you participate in the Medicaid program, you will need to submit a copy of your Medicaid benefit card with your application.
- e) If a subscriber is applying based on their household income being at or below 135% of the Federal Poverty Guidelines, they must provide income documentation. Acceptable documentation includes current income statement from an employer; prior year's

federal income tax return; a Social Security statement of benefits; a Veterans Administration statement of benefits; a retirement or pension statement of benefits; an Unemployment or Workers' Compensation statement of benefits; a federal notice letter of participation in General Assistance; a divorce decree; a child support award; or other official document containing income information.

- f) A customer's application for Lifeline services will be evaluated by the applicable state or federal agencies to confirm and verify the customer's eligibility to receive the Lifeline support. Once approved for support, customers must contact Wisper to complete additional application and acknowledgement forms. Once complete, the Lifeline subsidy shall be applied to the customer's account on the first billing cycle after their acceptance into the program. No refunds will be provided for charges prior to enrollment and approval of the program.
- g) The Lifeline program is administered by the Universal Service Administrative Company ("USAC") and in some states by state agencies. By applying for Lifeline services, a subscriber consents and agrees to the disclosure of any and all information submitted by the subscriber to USAC, USAC's agents, the National Lifeline Accountability Database and/or applicable state agencies to ensure the proper administration of the Lifeline program, and failure to provide such consent will result in the subscriber being denied the Lifeline service.

Once the Lifeline application has been approved by USAC, the Customer can then contact Wisper by telephone at (800) 765-7772 or by email to billing@wisperisp.com to request enrollment in the program. Customers will be required to provide a copy of their Lifeline approval letter from USAC and also complete a Wisper Lifeline Application and Acknowledgement form prior to enrollment in the program.

4) **Restrictions and Requirements**

- a) Wisper Lifeline services are only available for activation by subscribers who reside in certain census blocks in which Wisper has been designated an Eligible Telecommunications Carrier ("ETC"). To receive a subsidized Lifeline discount, a subscriber's principal residence address must be within a designated census block in a Wisper ETC service area. Subscribers should call (800) 765-7772 or email to billing@wisperisp.com to check whether they reside in an eligible area.

- b) Wisper does not allow calls to 900, 976, and 1010 number and will not accept collect calls. Customers can utilize 911 and 411 services as part of a customer's local and long-distance services. International services are not available.
- c) Eligibility for Wisper Lifeline services is personal and relates to the subscriber individually. Lifeline customers may not transfer to any third party, including a third party that is eligible for Lifeline services, any of the customer's rights or benefits received under the Lifeline services.
- d) A qualified customer receiving Lifeline services must notify Wisper within 30 days if they no longer qualify for any of the public assistance programs identified in their application form, no longer meet the criteria for income eligibility, if another member of their household receives Lifeline benefits, or if they no longer qualify for Lifeline services for any other reason. Once a customer informs Wisper that they are no longer eligible for Lifeline services, Wisper shall unenroll the customer for Lifeline services and discontinue the customer's Lifeline discount as of the first billing cycle following the effective date of the loss of benefits.
- e) A qualified customer receiving Lifeline services must notify Wisper within 30 days of any change of address. Continued service by Wisper upon a change of service address is subject to availability of service at the new address and continued receipt of the Lifeline subsidy from Wisper is subject to the location of the new service address. A change of service address that is not serviceable by Wisper may be subject to an early termination fee upon disconnect.
- f) Wisper customers receiving Lifeline services must certify to USAC annually that:
 - i) they are still eligible to receive the Lifeline subsidy and
 - ii) no one else in the household is receiving Lifeline services. If the re-certification process is not completed prior to the expiration of the one-year anniversary of the last approved certification they will lose, their Lifeline discount.
- g) If Wisper determines during the re-certification process, or at any other time, that a customer fails to continue to qualify for Lifeline services, such customer will immediately be deemed ineligible to participate in the Lifeline service and will be unenrolled from the Lifeline service. If a qualified customer fails to complete their recertification by the deadline, they will be unenrolled from Lifeline service. A customer may choose to voluntarily unenroll from the Lifeline service at any time by contacting Wisper by telephone at (800) 765-7772 or email to billing@wisperisp.com. Upon unenrollment from the Lifeline program for any reason, the customer shall no longer

receive the Lifeline discount as of the first billing cycle following the effective date of their unenrollment. Unenrollment from Lifeline Services for any reason will not terminate a customer's service with Wisper and termination of a customer's Wisper broadband Internet service may be subject to an early termination fee.

- h) Wisper reserves the right to cancel the enrollment of any customer and/or permanently deactivate any customer's service for fraud, misrepresentation or other misconduct as determined solely by the Company. Customer agrees Wisper' service will not be used for any other purpose that is not allowed by this agreement, the terms and conditions of Wisper' voice service, or that is illegal. Wisper can, without notice, limit, suspend or end a customer's service and unenroll a customer from Lifeline services for violating this provision or for any other good cause.
