ORDER AMENDING PENALTY ORDER

The above-captioned matter comes before the State Corporation Commission of the State of Kansas (Commission) for consideration. Having examined its files and records, and being duly advised in the premises, the Commission finds and concludes as follows:

BACKGROUND

1. On June 27, 2017, this Commission issued a Penalty Order to Eskridge Lumber, LLC (hereinafter Eskridge Lumber), assessing it a civil penalty of \$250, in accordance with the FY 2017 Uniform Penalty Assessment Matrix. The penalty(s) was for one (1) violation(s) of Kansas law that governs motor carriers, including various provisions of the Federal Motor Carrier Safety Regulations (FMCSRs), as adopted by the Kansas Administrative Regulations.

2. Eskridge Lumber was advised that it was a New Entrant motor carrier being reviewed for the first time, and was eligible for a reduced penalty of fifty-percent (50%), as long as it complies with the terms and obligations described in the Notice of Penalty Assessment, the Reduced Penalty Agreement and as set out below.

3. On July 7, 2017, Staff filed a Motion to Amend Penalty Order, recommending the Commission assess Eskridge Lumber a fifty-percent (50%) reduced penalty of \$125, and set out specific terms and obligations for Eskridge Lumber's compliance.

4. Staff states that on July 5, 2017, Eskridge Lumber submitted the signed Reduced Penalty Agreement. A copy of the Reduced Penalty Agreement was attached to Staff's Motion. The carrier submitted a Corrective Action Plan (CAP), which has been approved by Transportation Staff.

FINDINGS OF FACT

5. The Penalty Order issued on June 27, 2017, assessed Eskridge Lumber a civil penalty(s) of \$250 for one (1) violation(s) of the motor carrier safety statutes, rules and regulations.

6. Staff recommended in its Motion that due to Eskridge Lumber's agreement to comply with the terms and obligations for a fifty-percent (50%) reduced penalty and approval of its CAP, an Amended Penalty Order should be issued by the Commission assessing it a reduced penalty of \$125, and setting out the terms and obligations as stated in its motion.

7. K.S.A. 66-1,142c authorizes the Commission to determine the amount of civil penalty and states in pertinent part:

"Any civil penalty may be compromised by the state corporation commission. In determining the amount of the penalty or the amount agreed in compromise, the appropriateness of the penalty to the size of the business, the gravity of the violation and the good faith of the person charged in attempting to achieve compliance, shall be considered."
(emphasis added)

IT IS, THEREFORE, BY THE COMMISSION ORDERED THAT:

(A) The civil penalty of \$250 assessed to Eskridge Lumber, LLC in the Penalty Order dated June 27, 2017, is hereby amended to \$125.

(B) This Amended Penalty Order was mailed on July 25, 2017, via certified mail, return receipt requested, Certified Receipt No. 70161970000105740372. Service is complete upon the date the carrier signs the Domestic Return Receipt. Payment of the reduced amount is due within thirty (30) days from the date of service of this Amended Penalty Order. Payment of \$125 must be made through your personal account with the Kansas Corporation Commission's KTRAN application located at <https://puc.kcc.ks.gov/ktran/>. If you have not received a letter from the Transportation Division assigning you a PIN, please contact that Division at 785-271-3145. You must have an account through KTRAN to pay the penalty owed.

(C) Eskridge Lumber is ordered to, within thirty (30) days from the date of the Penalty Order dated June 27, 2017, send an individual responsible for safety compliance to attend a Commission-sponsored safety seminar, and submit proof of attendance to Litigation Counsel.

(D) Eskridge Lumber must submit to a follow-up compliance review within eighteen (18) months from the date of the Penalty Order. Transportation Staff will contact Eskridge Lumber to schedule the review.

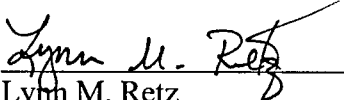

(E) If Eskridge Lumber fails to pay the reduced fine of \$125 and/or fails to comply with the terms and conditions ordered above, the Commission may order Eskridge Lumber additional sanctions, including enforcement of an out-of-service order, revoking its authority or any further sanctions as the Commission deems necessary.

(F) The Commission retains jurisdiction over the subject matter and the parties for the purpose of entering such further orders as it may deem necessary and proper.

BY THE COMMISSION IT IS SO ORDERED.
