OF THE STATE OF KANSAS**

Before Commissioners:                    Andrew J. French, Chairperson  
   Dwight D. Keen  
   Annie Kuether

In the Matter of the Application of Plains                    )  
Pipeline MidCon LLC, Pursuant to K.A.R.                    )                    Docket No. 25-PPLP-444-TAR  
82-10-2 for Approval of KCC No. 2.3.0.                    )

**SUSPENSION ORDER: JANUARY 26, 2026**

The above-captioned matter comes before the State Corporation Commission of the State of Kansas (“Commission”) for consideration. Having reviewed and being advised in the matter, the Commission makes the following findings and conclusions:

1.        On May 29, 2025, Plains Pipeline MidCon LLC submitted its application requesting approval of tariff revisions based on the FERC Index for 2025.<sup>1</sup>

2.        K.S.A. 66-117(c) states in part:

The commission shall not delay the effective date of the proposed change in rate, joint rate, toll, charge or classification or schedule of charges, or in any rule or regulation or practice pertaining to the service or rates of any such public utility or common carrier, more than 240 days beyond the date the public utility or common carrier filed its application requesting the proposed change. If the commission does not suspend the proposed schedule within 30 days of the date the same is filed by the public utility or common carrier, such proposed schedule shall be deemed approved by the commission and shall take effect on the proposed effective date.

3.        A full investigation of the application is found to be necessary and proper. Without suspension, the Commission and its Staff lack sufficient time to fully review and consider whether approval of the application will result in just and reasonable rates.

4.        Suspension of the application’s effective date is required to allow sufficient time for a full investigation of this matter.
