To: Mark Garcia

This letter is to inform you that your challenge concerning violation(s) **393.75A3 - Tire-flat and/or audible air leak & 395.8E - False report of drivers record of duty status**, has been denied. Please see guidance below

- Tire was measured during inspection as having 0psi, maximum psi tire was listed for is 95psi – per Out of Service Criteria Tires a (7); Tire has noticeable leak or has 50% or less of maximum inflation pressure marked on the tire sidewall. (395.75(a)(3)) – the tire was measured due to present lateral movement.
- False log - means inaccurate, does not accurately reflect the driver's actual activities and duty status. At the time of the stop the driver had been logged as off-duty, which reflects inaccurate movement (395.8(e))

The violation(s) will remain on your carrier profile and Invoice #H000579004 remains valid. Please the attached copy of the invoice for information regarding the fines due. Failure to pay will result in the carrier being in default. Default status prohibits changes to KCC authority, including but not limited to: adding vehicles, name changes or renewal of authority until the fine has been paid or the matter is resolved.

If you are not satisfied with the outcome of your challenge by the KHP, you have the right to an administrative hearing with the Kansas Corporation Commission. The hearing request must be in writing and received **within 15 days** of the close of the challenge and forwarded to the Kansas Highway Patrol at the above address.

Thank you for your time and attention to this inspection report.

Sincerely,

CHRISTOPHER J. TURNER, Captain
Troop I, Topeka
