WITHDRAWAL OF REQUEST FOR HEARING

Oil Producers, Inc., of Kansas (OPIK) acknowledges receipt of an amended invoice from the Commission in connection with the Penalty Order dated November 7, 2019. The amended invoice has removed any suggestion or allegation that OPIK continued to operate this disposal well or dispose of any liquids in it after the KCC determined that there was a failed MIT. With that clarification, and while OPIK does not admit any violation, OPIK withdraws its request for a hearing in connection with the Penalty Order. As evidenced by the attached letter, OPIK has caused to be delivered to the Commission a check in the amount of one thousand dollars (\$1,000.00) made payable to the Kansas Corporation Commission, in payment of the amended invoice.
