Re: Charles Mcadams  
KSKC82240116

Dear Sir or Madam:

My firm represents Mr. Charles Mcadams in the above referenced matter. Mr. Mcadams strives to keep his safety record clean. A notice of violation was issued to Mr. Mcadams on December 11, 2018 alleging a violation of 383.51A-SIN 'Driving a CMV while CDL is suspended for a safety-related or unknown reason and in state of driver's license issuance'. It is the contention of Mr. Mcadams that he should not be held liable for this charge.

At the time of the inspection, Mr. Mcadams did have a valid medical card and confirmed it with the state of New Mexico during the inspection. He was not aware that his medical card was not showing as being valid until he was stopped for this inspection.

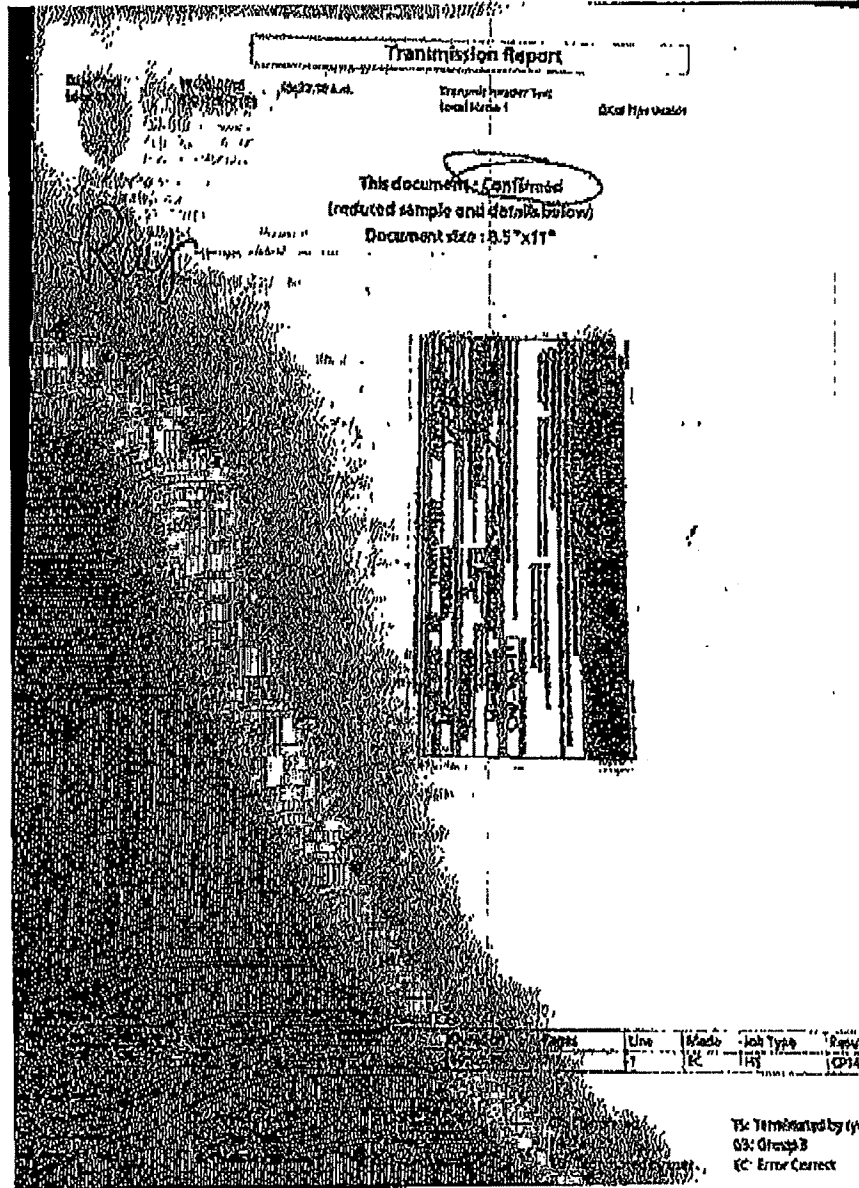

We are aware that this request is coming past the cut-off date for a hearing request to be made. However, Mr. Mcadams was not able to contact us with his information and the documentation needed before that date. Please consider dismissing the citation issued to Mr. Mcadams on December 11, 2018. If this matter cannot be dismissed, please schedule a hearing to allow Mr. Mcadams to have an opportunity to contest this charge. I have enclosed a copy of the notice of violation for verification purposes and also a copy of Mr. Mcadams medical card.

Please forward all correspondence to this office by fax or mail. A self-addressed stamped envelope has been provided for your convenience. Thank you for your assistance in this matter.
