The above-captioned matter comes before the State Corporation Commission of the State of Kansas (Commission). Having reviewed its files and records, and being duly advised in the premises, the Commission approves the application of Southwestern Bell Telephone Company d/b/a AT&T Kansas (SWBT) to modify its interconnection agreement with Avid Communications, LLC (Application and Avid, respectively) effective December 18, 2008.

1. On September 19, 2008, SWBT filed its Application.
2. On January 15, 2009, Commission staff (Staff) filed its Memorandum analyzing the Application. Staff advised the Commission that no substantive changes were requested, other than to extend the expiration date of the interconnection agreement to December 12, 2011. Staff did not find the Application to discriminate against any other telecommunications carrier. Staff reported that Avid was registered with the Kansas Secretary of State, and was active and in good standing with that office. Staff further reported that Avid is current with regard to filing annual reports with the Commission and with its Kansas Universal Service Fund payments.

3. Staff recommended that the Application be approved effective December 18, 2008.

4. The Commission concludes that the Application should be approved.

IT IS, THEREFORE, BY THE COMMISSION ORDERED THAT:

A. The Application of Southwestern Bell Telephone Company to modify the interconnection between it and Avid Communications, LLC, extending the expiration of the interconnection agreement to December 12, 2011, effective December 18, 2008, is approved.

B. If either party wishes the Commission to reconsider any final matter determined herein, it must file a petition for reconsideration within 15 days of the service of this Order. If this Order is mailed, service is complete upon mailing and the petitioning party may add three days to the 15-day suspense period. All petitions must be served upon the Commission's executive director.

C. The Commission retains jurisdiction over the parties and subject matter of this docket for the purpose of issuing additional orders as it deems necessary.
