

**THE STATE CORPORATION COMMISSION
OF THE STATE OF KANSAS**

for the well at issue.⁴ Due to further engagement between Staff and Mr. Pratt on the status of the well at issue,⁵ the Commission took no action on the proposed Settlement Agreement.

4. On February 7, 2018, Staff filed a Motion to Cancel Prehearing Conference and Close Docket (Motion), noting that Mr. Pratt plugged the well at issue and “has tendered an acceptable Transfer of Operator T-1 form for the two unplugged wells remaining on License # 35165.”⁶ Staff stated that “Mr. Pratt has resolved all issues that had caused his license application to be denied. Accordingly, Staff has now processed his license application.”⁷ Staff asked the Commission to cancel the Prehearing Conference (i.e., status conference) and to close the docket.⁸

5. The Commission finds Staff’s review of additional information regarding Mr. Pratt’s license application, and Staff’s conclusion that Mr. Pratt has now resolved all the issues preventing him from obtaining his license, provide a reasonable basis for granting Staff’s Motion. The Commission finds the status conference scheduled for February 22, 2018, shall be cancelled and the docket shall be closed.

THEREFORE, THE COMMISSION ORDERS:

A. The status conference scheduled for February 22, 2018, is cancelled, and the docket is closed.

B. The parties have fifteen (15) days, plus three (3) days if mailed service, from the date this Order was served in which to petition for reconsideration.⁹
